To a recent interviewer, Jules Verne confessed that work was his greatest happiness. No sooner is one book finished than he sets to work on another. In his labor he is very systematic, rising at dawn and writing steadily till 11 o'clock. Then he breakfasts and spends a few hours reading. His books usually are re-written several times before they go to the hands of the printer. The veteran author is now 71, yet apparently hale

Pandora, so runs the myth, let all the ills of life out of her box to prey upon mankind, but shut the cover soon enough to prevent the escape of hope. Hope remains to every sufferer but it is only an ignis-fatuus unless it takes on some tangible form. The hope of recovery is treasured by every one who suffers from weak or bleeding lungs, obstinate and lingering cough, bronchitis or similar ailments, which, if neglected, or unskillfully treated lead on to consumption. That hope becomes a practical and tangible thing when it is based on the use of Dr. Pierce's Golden Medical Discovery. Such a hope is reasonable because thousands of men and women emaciated and weakened by disease have been made sound and well by the use of "Golden Medical Discovery."

Sick people are invited to consult Dr. R. V. Pierce, Buffalo, N. Y., by letter. All letters are carefully and considerately read and answered. Each letter is held as a sacred confidence and every answer is mailed in a plain envelope without any printing upon it. Write without fear and without fee.

"I was taken sick in July last year, and was not able to do any kind of work until November," writes Mr. Noel W. Orvin of Langlev, Aiken Co., S. C. "I had been coughing up small, hard lumps of phlegm for about a year before I was taken down. I then called on a doctor, who attended me for two months, and said that one-half of my left lung was gone, and advised me to leave my home (Charleston, S. C.), and go to the country, but did not say what sort of disease I had. I thought it was consumption, and wrote to you for advice. I took four bottles of Doctor Pierce's Golden Medical Discovery, which I sincerely believe has done me more good than all the other medicines I have ever taken."

The use of Dr. Pierce's Pleasant Pellets does not beget the pill habit.
