HER MAJESTY'S JUBILEE.

The Publisher, at an immense expense, has succeeded in producing a

**Fac-Simile Copy of the Coronation
Number of "The Sun" Newspaper**

as printed fifty years ago, in commemoration of Her Majesty's Jubilee. It contains a beautifully executed medallion portrait of Queen Victoria, a graphic narration of incidents connected with the Coronation Ceremony and the State Procession from the Queen's Palace to Westminster Abbey; a description of the Royal Robes, Regalia and Jewels; together with interesting anecdotes connected with the Coronation of the English Kings and Queens from the time of William the Conqueror to King William the Fourth.

It is printed on paper specially manufactured to imitate the old-time appearance of the original; engravers standing on the highest pinnacle of their art have been employed on the medallion portrait and other engravings; and special type has been imported to present as far as money and mechanical ingenuity will accomplish an exact reproduction of the original.

The original edition, published in London on the 28th of June, 1838, exceeded a quarter of a million.
