HOUSING**MEASURES TO REDUCE COST OF SINGLE FAMILY HOMES—
REQUEST FOR UNANIMOUS CONSENT TO MOVE MOTION**

Mr. Gilles Caouette (Charlevoix): Mr. Speaker, under Standing Order 43, I ask the unanimous consent of the House to move a motion dealing with a matter whose urgency requires immediate attention. I refer to the excessive cost of houses which has again increased by 22 per cent in comparison with the same date last year. It is therefore urgent that steps be taken so that Canadians may purchase a house without running into debt for their lifetime. I therefore move, seconded by the hon. member for Drummond (Mr. Boisvert):

That this House consider the steps to be taken to reduce substantially the price of detached houses, more especially as a result of the removal of the sales tax on building materials, and enable all Canadians to become owners of detached houses.

Mr. Speaker: Under the provisions of Standing Order 43, this motion requires the unanimous consent of the House. Is there unanimous consent?

Some hon. Members: Yes.

Some hon. Members: No.

Mr. Speaker: There is not unanimity, therefore the motion cannot be put.

YOUNG VOYAGEURS PROGRAM**ALLEGED RACIAL DISCRIMINATION—REQUEST FOR
UNANIMOUS CONSENT TO MOVE MOTION**

Mr. Elmer M. MacKay (Central Nova): Mr. Speaker, I rise under the provisions of Standing Order 43 to seek the unanimous consent of the House to move a motion of urgent and pressing necessity. This motion is pursuant to the participation by students in the Young Voyageurs Program to which the Department of the Secretary of State contributes and also to the report that a white girl from Cardston, Alberta, apparently may have been advised or directed not to stay at the home of a black girl at New Glasgow, Nova Scotia, thus apparently contradicting the aims of programs such as these funded by all Canadians and designed to encourage personal interaction among Canadians from different regions of the country. Therefore I move, seconded by the hon. member for Hamilton West (Mr. Alexander):

That the Secretary of State take whatever action he considers appropriate to ensure that as an integral part of all programs to which his department contributes in any way there are guidelines or conditions that there be no discrimination involved, thus setting out the principles implicit in the Canadian Bill of Rights.

Mr. Speaker: Is there unanimous consent?

Some hon. Members: Agreed.

Some hon. Members: No.

[Mr. Speaker.]

Mr. Speaker: There is not unanimity.

Some hon. Members: Oh, oh!

Some hon. Members: Shame!

INDUSTRY**DOMESTIC PAPER SUPPLY—REQUEST FOR UNANIMOUS
CONSENT TO MOVE MOTION**

Mr. Mark Rose (Fraser Valley West): Mr. Speaker, I would like to add my motion under Standing Order 43 to the series of 43's today.

In view of the fact that exports by British Columbia paper mills threaten a sufficient supply of these products to meet local needs this summer, I move, seconded by the hon. member for Skeena (Mr. Howard):

That this House urge the Minister of Industry, Trade and Commerce to consult with his provincial counterparts with a view to limiting paper exports to the extent that domestic demands can first be satisfied.

Mr. Speaker: This motion is also proposed under the terms of Standing Order 43 and requires the unanimous consent of the House. Is there unanimous consent?

Some hon. Members: Agreed.

Some hon. Members: No.

Mr. Speaker: There is not unanimity.

AIRPORTS**RECLASSIFICATION FROM CLASS D TO CLASS C—REQUEST
FOR UNANIMOUS CONSENT TO MOVE MOTION**

Mr. John Reynolds (Burnaby-Richmond-Delta): Mr. Speaker, in view of the fact that airliners over 200,000 pounds are now being permitted to land on a limited basis at airports at which they have not been able to land recently, I move under Standing Order 43, seconded by the hon. member for Edmonton-Strathcona (Mr. Roche):

That the Minister of Transport be instructed by this House to make a statement on motions to explain this very exciting news and to explain how the airports involved have become reclassified from class D to class C airports.

Mr. Speaker: Again, the motion proposed by the hon. member requires unanimous consent under the terms of Standing Order 43. Is there unanimous consent?

Some hon. Members: Agreed.

Some hon. Members: No.

Mr. Speaker: There is not unanimity.
