*INCREASE IN NUMBER OF SENIOR OFFICERS IN FEDERAL SERVICE

Question No. 197—Mr. Orlikow:

By department, what was the increase in the number of senior officers, SX1, SX2, SX3, SX4, for each year from 1968 to 1973, or in the case of new departments, commissions, agencies, etc. from their inception to 1973?

Mr. Cossitt: Mr. Speaker, I rise on a point of order. I have had on the order paper for some length of time, approximately two months, certain questions in respect of the appointment of Mr. Michael Pitfield, certain questions in respect of Mr. Ivan Head, certain questions in respect of the Prime Minister's personal and political travels at public expense and also questions in respect of the operation in general of the Prime Minister's office. I feel that after a period of two months I am justified in rising on a point of order to ask why this information is delayed and whether the parliamentary secretary will give some assurance that it will be forthcoming shortly.

Mr. Speaker: Order, please. Before commencing the oral question period may I say that the Minister of Labour (Mr. Munro) has given the Chair notice of his intention to make a correction in *Hansard* relating to an answer the minister made on Friday last in which the minister I think made reference to one member and intended to refer to another.
