According to arrangements, the bat talion did not go to the armories, bu marched direct to the football grounds. where, as guests of the Tiger Club, they watched the Tiger-Montreal game. While there they were well looked after. The Tiger Club supplied them all with a hot lunch, which was distributed under the auspices of the St. Cecilia Chapter, I.O.D.E., while the Hamilton Sportsmen's Patriotic Association, but recently formed, gave each soldier a package of cigarets. The association also sold their badges dur-ing the game, and were successful in

disposing of about 200. After the game the battalion march ed to the armories, where they were dismissed for the evening. No parade was held Saturday night by the 84th, but a smoker and band concert was given for them in the armories. The band of the 13th Royal Regiment, under Bandmaster Robinson, supplied the music section with the object of continuing their atthe music, assisted by the 84th Band, which rendered a few selections. Seventy-Sixth Today.
Stirring appeals were made for recruiting last night in Gore Park by prominent Hamiltonians at a mass meeting. The entire city attended and the patriotic utterances, which aided by the band of the 84th, were responsible for several recruits being accepted by the recruiting sergeants who worked among the crowds during

the meeting.

Mayor Walters in a short address announced that the 76th, under the command of Lieut.-Colonel Ballantyne, which will arrive this afternoon, will assist in the reception of the 86th Hamilton Machine Gun Battalion, arriving from Grimsby on Tuesday. Mayor Walters felt that as there are nearly 400 men and officers in the 86th Battalion, great disappointment was felt by their friends and relatives in not having them at their homes over Sunday, as was previously proposed. and yesterday afternoon he went to Grimsby and arranged with Lieut.-Colonel Ballantyne to have the men remain in Hamilton until Wednesday

He also made an appeal to the citizens of Hamilton to decorate their comes, and for each citizen to carry a flag when they turn out to welcome the 86th Hamilton Machine Gun Battalion Tuesday afternoon. Choirs Will Aid.

The choirmasters and choirs of the city are invited by the entertainment Hamilton Recruiting League to aid in giving the 86th chine Gun Battalion a welcome at the armories on Tuesday evening. The massed choirs, under the joint direction of W. H. Hewlett, M.B., and Bandmaster W. H. Hewiett, M.B., and Bandmaster Robinson, will occupy the entire east gallery. Recruiting was brisker on Saturday at the depots, probably due to the announcement that uniforms were on the way and also to the renewal of activities of several new recruiting sergeants, who have just returned from the front. About a dozen men were added to the strength of the 13th Royal Regiment and the 91st Highlanders landed a similar amount. Most of the men were from offices, so it is evident that they are becoming conscious of the appeal that for the past week has been made par-
