WE ARE GENERAL AGENTS FOR

STEVENSON'S PHOSPHO TONIC

A new and important remedial agent. For Imperfect Digestion, Dyspepsia, or Nervous Dyspepsia, Exhaustion, Nervous Debility, Lack of Energy, Overwork, especially excessive brain work, and all other evils following modern style of living and business methods, STEVENSON'S PHOSPHO TONIC is unquestionably the remedy of the period.

For broken down business men, professionals, workmen, farmers, school teachers, delicate women, pale, peaked girls and children, this new remedy will be found a real blessing. It stimulates the appetite, restores vigor, quietly excites all the glands of the digestive organs, livens the skin, induces healthy action of kidneys, liver and bowels, and generally tones up the system. It is, as the name indicates, a genuine tonic, representing the happiest combination of the triple phosphates, with most efficient diuretics and laxatives ever offered the public, either from the standpoint of merit or pharmaceutical perfection. In every respect it is simply perfect. It will commend itself to any man, woman or child who needs a body builder or system renovator. It matters not what else you have tried, or what else has failed, if you are run down,

STEVENSON'S PHOSPHO TONIC

will build you up. Full directions are on every bottle, price \$1.00 each, sold everywhere. Prices to the trade cheerfully given.
