Reports from the delegates who attended the Dominion convention of the Great War Veterans' Association were received at a meeting of the London branch of the Great War Veterans' Association held in the Masonic Temple Tuesday evening. "We all know that the G. W. V. A. will be one of the largest and grandest organizations in Canada in a few years. We had a little trouble at the conven-

The associate member question was one of the biggest matters brought before the convention," said Col. W. G. Coles, president of the local branch of the Great War Veterans' Association.

Much Greater Success.

Major Gordon Ingram, who was also one of the delegates to attend the Dominion convention, told of its success. "The Ontario convention was fine, but the Dominion convention was a much greater success. The convention at Toronto was the real start for the Great War Veterans' Association. I can assure you that the organization is on a strong footing, and we can see by the meeting tonight that the London branch is taking its stand in the association," said Major Gordon Ingram.

Secretary J. W. Cunliffe read a report of the convention, which was appliauded by the members of the local branch. Comrade J. Moore was elected as a member of the executive committee.
