THEIR CONSEQUENCES.

IT IS A FACT that W. E. DAWSON'S HARDWARE and GROCERY ESTABLISHMENT, in GIBSON'S *Brick Building*, Corner of Great George and Water Streets, is the CHEAPEST in the City.

It is a fact that Nails, Spikes, Saws, Planes, Chisels, Screws, are there to be had, as very many of the best Carpenters can testify.

It is a fact that it is the best place to buy Paints, Oils, Glass, Putty, Locks, Hinges and all requisites of that kind required for House building and finishing.

It is a fact that there is to be had the cheapest Blacksmiths' Bellows, Anvils, Vices & Files, and any other files that may be required.

It is a fact that there the Shoemaker can purchase the cheapest Hemp, Flax, Sparables & Pegs.

Finally it is a fact that in General Hardware and Ironmongery goods, Groceries & Womens' & Childrens' Boots & Shoes it is the best place to buy.

The practical result to be deduced from these facts is that every Mechanic and Householder will consult their own interests by giving him a call.
W. E. DAWSON.
