

## LADIES' AID SOCIETY.

---

During the year ten regular meetings of the Society have been held. In July and August the meetings were discontinued. Though our meetings have been chiefly of a business character, they have been interesting. Afternoon tea was served at the close of each meeting. The average attendance at the meetings was twenty-eight, the membership numbering forty-one. Eight new members have been added during the year. We deeply regret the removal by death of two of our esteemed members and workers, Mrs. Clark and Miss Wilson.

Three lectures have been given under the auspices of the Society, the proceeds amounting to \$76.38. The voluntary contributions for the year amounted to \$151.05, which, with membership fees and interest, enabled us to pay to the Managers the sum of two hundred and fifty dollars (\$250).

We trust that, with the hearty co-operation of all the ladies of the congregation, we may next year pay off our indebtedness on the Organ Fund.

*President.*
