She numbered many friends, particularly in the southern section of the city, and there will be deep sympathy for those bereaved by her death.

### THE INJUNCTION MATTER AGAIN

### Hearing Relative to Liquor Here for Export—Case Still Going On.

The matter of the injunction in the case of the establishment of the bonded liquor warehouse in this city and the removal of certain liquors in the attempt to begin an export trade was resumed this morning before Mr. Justice Grimmer. The argument was not completed this morning but adjournment was made until 2.30. Affidavits were presented by Dr. W. B. Wallace, K. C., who is acting for the provincial authorities with W. M. Ryan giving statements of the C. B. Lochart, Collector of Customs, Sub-liquor inspector Crawford, and Chief Inspector Hawthorne in connection with the matter. It was said by the latter that there had been no request to him to inspect and approve the sites chosen for warehouse purposes.

The ground was taken in connection with the granting of the injunction, by Dr. Wallace that the attorney general in his official capacity could not be joined, that he was not a necessary and proper party to the suit as there had been nothing in the affidavits presented by the liquor companies to show he was attempting to do anything in the matter. It was also contended that notice of action must be given to the inspector, and that no injunction should issue as the question was simply hypothetical and there was no issue to be tried. He said the right to establish a bonded warehouse was not denied by the province to the dominion but the province was not forced to accept any condition precedent.

An affidavit was read in reply by J. D. P. Lewin. Counsel for the liquor companies include Dr. J. E. M. Barker, K. C., M. G. Ford, K. C., Dr. F. J. Porter, K. C., Mr. Lewin, and W. G. Pugsley.

### THIS MORNING AT METHODIST W.M.S.

### Talks on Subjects Relative to the Work—Reports From District Superintendents.

Short talks on subjects relative to the work of the society were given this morning at a meeting of the Woman's Missionary Society, N. B. and P. E. I. branch, in session in Exmouth street church. At the close of the business session district rallies were held under the supervision of district superintendents.

Mrs. W. S. Corbett led in prayer and reports were given by district superintendents. These covered the work of the year in the districts. Mrs. H. A. Goodwin, superintendent of Christian stewardship, reported for her branch. She advocated systematic giving. She also spoke of the use of literature and said posters were also effective. The report was adopted.

Miss Mary Fitzpatrick, missionary-elect, gave a talk on Time, using as an illustration a poster on which was printed the words "Invested, Millions Enlisted," the initial letters of which made up the word Time. She said all life was a stewardship and all things belonged to the kingdom of God. Each day was a link and we should strive to make the most of every day as it came. God wanted lives as well as souls and we should pay our debts to Him.

Mrs. J. J. Pinkerton dealt with the subject of "Talents." Everyone had some talent and it was the duty of everyone to use his or her talents to the limit that nothing might be lost to the world.

A quiet half hour was conducted by Mrs. G. A. Sellar.

The reports of circles and bands as submitted by the treasurer, Mrs. F. S. Williams, showed that the circles had raised \$4,818.73 and the expenses were \$129.61, leaving \$4,689.12, an increase of \$495.46 over last year. In the bands the amount raised was \$5,225.25, an increase of \$446.28.

District superintendents reported. For St. John district it was shown that the auxiliary had a membership of 860, the circle 876 and the band 536. The amount raised by the auxiliary was \$3,476.46 and by the circles and bands \$6,140.42, a grand increase of \$384.

In Sackville district there was a total membership of 464 in all three and the total amount remitted was \$1,618.87, a decrease of \$109.29 from last year. Chatham district showed 424 members and \$1,615.83 raised, an increase of \$92.31.

For Moncton district it was reported that the membership was 944, an increase of 122. The amount remitted was \$2,612.88, an increase of \$166.42.

In Summerside district the total auxiliary and band membership was 1,462 and the total amount remitted was \$6,801.48, an increase of \$362.14.

Fredricton district had a membership of 664 and had remitted \$1,912.70, an increase of \$879.48.

St. Stephen showed a membership of 248 and money remitted \$683.72, an increase of \$93.77 in remittance and a gain of forty-six in members.

The report for Woodstock was not submitted.

### INJURED DOG ATTACKS OWNER

Miss Goodrich, Attempting to Pet Dog Struck by Car, Receives a Badly Lacerated Hand—Accident at Fair Vale Station.

Maddened temporarily by several injuries received when it was run over by an automobile at Fair Vale last evening, a large dog attacked its owner, Miss Catherine M. Goodrich, and caused two severe lacerations to one of her hands. She was attended by Dr. Peters of Rothesay, and it is not expected that any serious results will follow.

When Miss Goodrich, who is a daughter of R. F. Goodrich, of the city public works department, and who resides at Fair Vale, arrived at Fair Vale station last evening she found her dog, as was his custom, waiting for her. Just as she started away from the station a large automobile, passed by and, the dog pined in front of it, was run over. Miss Goodrich went to comfort her injured pet, when, in his pain, he suddenly turned on her and before she could draw away, he caught her twice by the wrist, cutting two deep gashes, which bled freely. Miss Goodrich was taken in the car to the home of Dr. Peters where the wounds were dressed and she returned home.

### END OF NEWMAN BROOK CONTRACT

Preparations are Now Being Made to Place Culvert, Which Will Make Possible Removal of Bridge.

Saab and Swanton, contractors on the work of deepening Newman brook, completed their work yesterday. This firm had the first contract on this work, their job covering a distance of 450 feet from the rear of the Shamrock grounds to just below the bridge across the brook at Adelaide street. The estimated cost of the work was \$3,500.

### UNDERWRITERS CONDEMN SECOND OIL TANK SITE

The board of fire underwriters, in a letter to the city, has declined to approve a proposal made by the Imperial Oil Company, Ltd., to establish a floating station for fuel oil at the head of Roxy slip, West St. John. This is the second site which the underwriters have condemned, asked for by the Shell Company of Canada. It is intimated, however, that they will be favorable to land storage, provided a suitable site can be obtained.
