

1834.

II. Month.—FEBRUARY.—28 days.

1834.

O shame! less noble cheeks are pale  
That England's sons should crouch & kneel,  
And faintly sue with coward wail,  
Where meaner hands have grasp'd the steel.

Listen! your despotic lordlings say  
Ye dare not struggle for your right,  
Yet none that stirring taunt repay!  
UP, MEN OF ENGLAND, TO THE FIGHT!
