

THE COUNCIL AND **COMPANY AGREE** TO CANCELLATION OF

"SECRET" CONTRACT

Interesting Debate at Last Evening's Meeting of City Fathers-Other

Business.

Several matters of some importance came up for consideration at Monday's meeting of the city council. That of the most general interest was the consideration of the advisability of cancelling the "secret agreement" with the B. C. Electric Railway Company on the water question. The matter was quimalt street, between Esquimalt road introduced by the reading of a letter and Catherine street. Estimated cost, \$60. from R. H. Sperling, manager of the company, announcing the latter's wil-

lingness to be released from the agreement., It was decided to accept the in- streets, bridges and sewers committee. timation and the city solicitor was instructed to prepare the necessary papers, there being only one dissenting for a reduction in the license necesvoice, that of Ald. This clause pro-vides that the diplomatic corps at three times with reference to the hold-Tangier shall receive reports of the ing of horse racing. The grounds they erations of the police for the purpose to put the place in condition. The of assuring that the decisions of the fences were down, and quite a lot of conference are carried out, and as a repairs were needed. Last year the guarantee for the impartial treatment lease of the driving park expired, and the executive had had a number of in-

terviews with the owners. The secreto put hte place in condition. The owners would not now give a lease. They had laying idle in the property something like \$30,000, and got little in return except what was derived out of the annual horse meets. He had suggested that the owners put everything n order before renting, but this proposition they would not entertain. The executive therefore decided to ascer-

tain cost of the improvements. The city building inspector went to the grounds and he reported that it would take \$350 to improve the fences. Dr. Tolmie stated that the track would have to

be improved, and this would cost from \$200 to \$250, so that in all the expenses would be run to the \$1,000 mark for the grounds for three days. The executive pointed this out to the owners with Signal Hill and Other .

the result that they consented to reduce the \$500 fee by \$100, leaving \$900, which would have to be met if the grounds were secured. The owners

ing protection to those subjects

As stated above, the missional hold different views as to the perm ency of the trouble, some thinking t it is only a wave of hostility which shortly pass over. The missio whose wife and children were red murdered, as a result of riots. whose church and house were de ed, has returned to the scene of tro declining all indemnity in the wa money for the dear ones he lost. asking only that his home and mis house be restored. Friends urged not to return to the place, as he w be in danger of losing his life, but missionary having some protection if possible continue his good work A big ship load of missionar

## NOVEL EXPERIENCE.

article 6 of the society's constitution or Mme. Sarah Bernhardt Acted in a Circu Tent.

> Dallas, Tex., March 27 .- For the hardt last night played in a circus numbered 5,000 persons from all parts the southwest. The performance with intense enthusiasm.
