## PLANS CRUSADE OF TRUST-BUSTING

Taft Awaits Decision in Oil and To-  
bacco Cases—Combines to be  
Prosecuted.

WASHINGTON, Jan. 26.—With the  
Reef Trust already under fire and the  
Standard Oil and American To-  
bacco Company cases in the hands  
of the Supreme Court, it was made  
known today on high authority that  
the Administration is planning a cru-  
sade of "trust-busting" such as this  
country has never seen since the pas-  
sage of the Sherman Anti-Trust law  
about 25 years ago.

President Taft, it was made known,  
is waiting only for the decision of the  
Supreme Court in the Standard Oil  
and Tobacco cases before he begins  
his campaign against the trusts. He  
is firmly convinced, it was learned,  
that the highest judicial tribunal will  
decide against the Oil Trust and the  
Tobacco Trust, and after that he in-  
tends, it is said, to begin the prose-  
cution of every illegal combination  
which he can find.

## BILLION DOLLAR COPPER MERGER

Preliminary Steps Towards Im-  
mense Trust

Anaconda Company Increasing its Stock to  
\$150,000,000 to Acquire Other  
Properties.

NEW YORK, N. Y., Jan. 26.—Prelim-  
inary steps were taken today to effect  
the long-looked-for merger of the prin-  
cipal copper producers of the country  
into one gigantic corporation. In Wall  
street another billion dollar company  
was frequently mentioned, but the  
more conservative believed final capi-  
talization would be closer to \$200,000,000.  
The Anaconda Copper Mining Com-  
pany officially announced late today  
that, at a meeting of the board of di-  
rectors yesterday, it was decided to  
call a special meeting of the stockhold-  
ers in Anaconda, Montana, on March  
23, to pass upon a proposal to increase  
the capital stock from \$30,000,000 to  
\$150,000,000 "for the purpose of acquir-  
ing the property of other companies  
located in the Butte district." The  
Annanized Copper Company owns 55  
per cent. of the Anaconda stock.

## LATEST PUBLICATION OF THE CURRIE UNIVERSITY

The Star has received a neatly  
printed publication from the Currie  
Business University, describing the  
many advantages which this school is  
offering. The contents of the book are  
most interesting, as they contain many  
valuable suggestions to the business  
man, to the beginner. The various  
systems of stenography and bookkeep-  
ing are compared, showing the advan-  
tages of those used in this institution.  
A list of the hundreds of successful pu-  
pils is also published. The list includes  
prominent men in all parts of Canada.  
A novel feature is the signature book  
of the university, in which the signa-  
tures of all the graduates are pub-  
lished.

## BRIEF DESPATCHES.

SEATTLE, Wn., Jan. 26.—United  
States District Court Judge Cornelius  
H. Hanford decided today that title  
to 1,024 acres of valuable coal lands in  
Lewis County, claimed by P. C. Rich-  
ardson and several members of the  
S. Wilson family, all of Seattle, should  
revert to the government.

This is the land referred to by R. L.  
Glavis, in his testimony before the  
Bullinger-Pinchot Commission the ar-  
ternoon.

BOSTON, Mass., Jan. 26.—The in-  
creasing care which is being taken in  
preserving grave-stone inscriptions in  
New England's abandoned family  
graveyards has been of great value in  
furnishing missing links in many in-  
complete family genealogies, accord-  
ing to the annual report of President  
Baxter, presented to the New England  
Historical Genealogical Society at its  
46th annual meeting today.

BRIDGEPORT, Conn., Jan. 26.—The  
stockholders of the Atlantic Coast  
Lumber Company, at a meeting here to-  
day, voted to increase the capital stock  
40 per cent. so that the total stock  
of the company will be \$5,000,000. Each  
of the present stockholders will have the  
right to purchase shares of the new  
issue to the value of forty per cent. of  
his present holdings. The meeting was  
secret.

PORTLAND, Me., Jan. 26.—Nine year  
old Haradani Akehiko, who came  
alone from Harpoor, Turkey, to Port-

land, with \$25 in his pocket to insure  
his admission to this country, went to  
Lowell today with his brother, Mara-  
dama, who came here to meet him.  
Little Haradani arrived Monday and  
passed intelligently the examination  
of the immigration officials.

CLEVELAND, Ohio, Jan. 26.—An-  
nouncement was made tonight that a  
new post to be called the "Public De-  
fender," will be created at once. The  
defender will be an assistant to the  
city solicitor and it will be his duty  
to oppose the prosecutor in the trial  
of poor prisoners in the police courts.

## REPORT THAT BRUSH

IS TO LEAVE NATIONALS

NEW YORK, Jan. 27.—According to a  
report current here today John A.  
Brush has resigned from all active in-  
terest in the New York National Le-  
ague Baseball Club and is to be suc-  
ceeded by Fred R. M. Knowles, former  
secretary of the club.

Neither Mr. Brush nor Mr. Knowles

is in New York and therefore the re-  
port could not be definitely verified this  
morning. It has been believed for some  
time, however, that important changes  
in the officials of the New York Na-  
tionals were pending.

Knowles, it is said, has to shoulder  
the burden of responsibility.

John H. MacDonald and wife of Cal-  
gary were in the city yesterday. They  
left for the west on the Montreal ex-  
press last evening. While in the city  
they were guests of Aid. John Vanwart.  
Mr. MacDonald is a native of Prince  
Edward Island and had been visiting  
his old home for some time. He is con-  
ducting a large grocery business in  
Calgary and has been very successful  
in his new home.
