MEDICAL HALL,

No. 48 Charlotte street,

Opp. King Square.

With the beginning of 1872, THE WEEKLY Sun has been doubled in size. It now contains eight pages instead of four, making it equal in dimensions to any other weekly secular journal published in this country. At the same time its price has not been increased. It will be furnished to subscribers at the uniform rate of one dollar a year for each copy. To this rate no exception will be made and no reduction will possible, either to clubs or agents. Every subscriber who sends a dollar will receive a copy for a year.
While THE WEEKLY SUN thus furnishes as

much reading matter as other papers published at double or treble the price, it will contain new features which will add greatly to its interest and value as a family newspaper. Its inde-pendence of opinion, and its unqualified hosility to Tweedism and Grantism, and every where he has the largest premises, and the most will be maintained, while in point of political will be maintained, while in point of political news its readers may rely upon always receiving aspects of life, and for useful information repecting not only what takes place in this meropolis and this country, but in all other parts In its new form THE WEEKLY Sun is the

cheapest paper of its class in the United States: and we appeal to such of our readers as approve BRUSHES: its ideas and objects, and find it interesting and valuable, not only to renew their own subscrip ions, but to recommend the paper to their friends and neighbors.

This year is destined to be a memorable one in the history of the country. We are on the eve of a most significant Presidential election, and political movements will for many months be watched with unusual interest. As a journal, free from the trammels of party, THE WEEKLY Sun will continue to uphold the principles of true republican government. Its readers are invited to sustain it in that work. The truth,

irrespective of party prejudice or official in duence, will always be told in its columns. Terms of the Weekly Sun-A journal containing eight large pages, published every Wednesday morning—To all mail subscribers, whether single or in clubs, one dollar ear each, always in advance.
