FOR PURIFYING THE BLOOD, nothing has ever been offered which can compare with this Extract of Sarsaparilla. It is founds great promoter of health, when taken in the spring, to expel the humors that rankle in the system at this season of the year. Many complaints have their crizin in the spring, and in the causes above mentioned, for which no better remedy has ever been devised. By its use sullitudes can spare themselves from the endurance of foul eruptions and alcerous sores, through which the system strives to rid itself of corruptions, if not assisted to do this through the natural channels of rhe body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimple, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better halth, and live longer, nor cleansing the blood.
