In speaking of the merciful tendencies of the age, Judy says, "In a short time we may expect the appointment of a committee to inquire into the desirability of abolishing harpoons in the capture of whales, and of substituting silken for a committee to inquire into the desirability of abolishing harpoons in the capture of whales, and of substituting silken for hempen cord in the herring fishery."

A St. Paul despatch of July 20th says: Ex-Attorney General Clarke of Manitoba was struck twice on the head with a sling shot last night, in front of the Metropolitan Hotel, by some person to him to have deen the struck of the free that city, who beat and kicked Clarke was leaving for the East, he was set upon by a crowd of ruffians from Minneapolis, headed by Mike Hay, Chief of Police of one or two of our citizens he doubtless would have been killed. Clarke was saysely, and but for the interference of one or two of our citizens he doubtless would have been killed. Clarke was taken into a railroad car and left on the train, but it is feared he is dangerously hurt, being in poor health. Hay was arrested and held for trial. He is one of the Minneapolis party who were imprise some last year at Winnipeg, for an alleged attempt to kiduap Lord Gordon, and the murderous attack on Clarke is in revenge for his action as public prosecutor.
