Telegraph communication with Europe was resumed to-day, after an interruption of 24 hours. The trouble was on the Newfoundland line.

The Democrats of Massachusetts to-day nominated ex-Mayor Wm. Gaston, of Boston, for Governor, and Wm. L. Smith, of Springfield, Lieut.-Governor. Serious forest fires are still raging on Long Island and in New Jersey. Great damage has been caused, and it is reported that some lives are lost. Dwelling houses in the woods have been burned and thousands of acres of timber destroyed. In some places the entire population is out fighting fire. (Special Telegram to Tribune.) Refermers in Court-Corruption Confessed and Perjury Evident-\$6000 Expended by one Man. The London election trial conclude yesterday. The principal witnesses were Major Walker (the sitting member) and his solicitor, Harris. Mr. Burpee has settled matters in Hallfax; Mr. Ross is to be asked to retire on
the Halifax collectorship, where his incapacity will be less conspicuous than as
Minister of Militia, although his
peculiar talents may get his
Party into trouble. This move will
leave a vacancy in the Cabinet. It is expected that Mr. Vail, the Provincial Secretary of Nova Scotia, will be offered
the position of Minister of Militia. The
fact of his presence at the capital gives
color to this rumor. Mr. Jones, of Halifax, was offered the position, but he
feared to face his constituency in consequence of the Reciprocity Treaty bungle.
