Ayer's
Cherry Pectoral.
For Diseases of the Throat and Lungs,
such as Coughs, Colds, Whooping-
Cough, Bronchitis, Asthma,
and Consumption.

Among the great
benefits of modern
science, few are of
more real value to
mankind than this ef-
fectual remedy for all
diseases of the Throat
and Lungs. A vast
trial of its virtues,
throughout this and
other countries, has
shown that it does
more than any other
remedy for these af-
fections.

control them. The testimony of our best
doctors, of all classes, establishes the fact,
that Cherry Pectoral will and does relieve
the most distressing disorders of the Throat
and Lungs beyond any other medicine. The
most dangerous affections of the Pulmonary
Organs yield to its power; and cases of
Consumption, which were formerly
deemed incurable, are cured by its use.

It is a safe and effective
remedy for all diseases of the Throat
and Lungs, and is especially adapted
for the treatment of Whooping-Cough,
Bronchitis, Asthma, and Consumption.
