

## SIXTEENTH ANNUAL REPORT

—OF THE—

**Missionary Association of Knox Church.****Knox**

Your Committee take pleasure in presenting their report for the past year as follows :

The ordinary collections during the year amount to \$569.40, to which must be added the sum of \$410.00 for augmentation.

Your Committee feel encouraged that so much has been accomplished during the past year, but would hope that still greater things may be done in the future. Although we cannot trace the direct result of our prayers and givings, yet we have every reason to hope that they have not been in vain. We take this opportunity of again impressing upon every member and adherent the high privilege and bounden duty of making this subject of missions one of earnest prayer and conscientious giving : "Freely ye have received, freely give."

Your Committee propose to take steps to lay before the congregation every month, the extent and needs of our several mission schemes, and in this endeavor we expect to be supported and encouraged by the whole congregation.

All of which is respectfully submitted,

J. A. MOFFAT, *Recording Secretary.*
