DON'T HAWK, BLOW, SNEEZE, OR COUGH USE "CATARRHOZONE."

When germs attack the lining of the nose, make you sneeze and gag-when later on they infect the bronchial tubes-how can you follow them with a cough syrup? You can't do it-that's all. Cough syrups go to the stomach-that's why they fail.

Catarrhozone goes everywhere-it kills after the germs-kills them-heals the soreness-cures the inflammation-makes Catarrh disappear. Not difficult for Catarrhozone to cure, because it contains the essences of pine balsams and other antiseptics that simply mean death to catarrh. Large size costs \$1.00 and contains two months' treatment; smaller sizes 25c. and 50c. all druggists and storekeepers.

WOLVES IN FRONTENAC
Kingston Feb 19-Wolves of late have been very troublesome in the northern part of Frontenac County. They have killed many deer, which have been evidently followed from their native haunts.

INFLAMMATORY RHEUMATISM CURED.

New Brunswick Lady Gives Full Particulars of Her Recovery.

There are many types of rheumatism, but none worse than inflammatory.

It was this kind that almost killed Mrs. Edw. Warman, of Kent Jct., N.B.

Every known remedy she tried, different doctors gave their advice, but the disease increased.

Weak and despairing, she was at her wits' end when the remarkable cure of Thos. Cullen was published. This gentleman was cured of rheumatism by "Ferrozone." Consequently Mrs. Warman used the same remedy. Here is her statement:

"For five years I have been rheumatic. I tried various forms of relief without success. The disease increased, settled in my joints and muscles; these swelled, caused excruciating pain and kept me from sleeping. My limbs and arms stiffened, my shoulders were lame and prevented me from working. Week by week I was losing strength and despaired of finding a cure. It was a happy day I heard of Ferrozone. Every day I took Ferrozone I felt better; it eased the painful joints, gave me energy and a feeling of new life. Ferrozone cured my rheumatism, cured it so that not an ache has ever returned. Even damp weather no longer affects me."

Ferrozone has power to destroy Uric Acid, neutralize and enrich the blood, and therefore does cure the worst cases. Mrs. Warman's statement proves this.

By removing the cause of the disease and building up a reserve of energy, Ferrozone is certain to cure. Sufferers, isn't it about time to stop experimenting? Ferrozone is a CURE, order to-day, 50c. per box, or six for \$2.50, sold by all dealers, or direct from the Catarrhozone Co., Kingston, Ont.

Minstrel Show a Striking Success

Before a crowded house at the Star Theatre last evening The Dominion Rubber System Club presented their first annual Minstrel Show which proved a distinct success.

With first class music under the able direction of Mr. H.J. Zeller, the vocal numbers were excellent.

Smart and clean were jokes of the husky minstrels and their singing was applauded time and again, the rendering of the Dark Town Strutters' Ball by the entire company was a real hit.

The "After Piece" was marked by pretty stage effects and clever acting. In "The Candle Light" was well received and "The Blue Bird Specialty" proved one of the main hits of the evening. The singing of Miss Lois Hallinan was exceedingly pleasing, the young lady is a distinct favourite in local amateur performances.

The work of Miss D. Leslie, Miss I. Thurlow and Miss L. Woolner, contributed largely to the success of the item.

The performance will be given again this evening, proceeds being shared with the Freeport Sanatorium and the G.W.V.A.
