

- Urine, phosphates in, 746.
 physical methods of examining, 693.
 literature on, 694.
 potassium in, 756.
 potassium chlorate in, 815.
 purin bodies in, 723.
 pus cells in, 816.
 pyogenic cocci in, 829.
 pyramidon in, 815.
 quantity of 665, 806.
 reaction of, 701.
 literature on, 705.
 red blood corpuscles in, 816.
 salicylate preparations in, 815.
 santonin in, 815.
 sediments in, 815.
 literature on, 816.
 relation of the reaction of the urine to, 705.
 serum albumin and serum globulin in, 762.
 significance of abnormal constituents of, 757.
 literature on, 761.
 significance of examinations of, 699.
 sodium in, 756.
 specific gravity of, 697, 803.
 literature on, 698.
 after a renal test diet, 809.
 spermatozoa in, 819.
 sugars in, 785.
 sulphates and other sulphur compounds, in, 750.
 tissue fragments in, 819.
 undetermined nitrogen of, 731.
 uric acid of, 724.
 urobilin in, 777.
 urotropin in, 815.
 vegetable parasites in, 819.
 volatile fatty acids in, 740.
 white blood corpuscles in, 816.
- Urobilin, in the feces, tests for, 428.
 icterus, 473.
 in urine, 777.
 spectroscopic determination of, 777.
 tests for, 777.
- Urobilinogen, in feces, test for, 429.
 in urine, 778.
 test for, 778.
- Urobilinogenuria, as a test of hepatic function, 482.
- Urobilinuria, 775.
- Uroferric acid in the urine, 739.
- Urogenital apparatus, diagnosis of diseases of, 826.
 methods of examination of, 826.
 literature on, 826.
 special diagnosis of the diseases of, 936.
- Uropoietic organs, anatomy of, 828.
- Uropoietic system, anamnesis in diseases of, 836.
 literature on, 838.
 changes in appearance and quantity of urine in diseases of, 837.
 disturbances of micturition in diseases of, 838.
- Uropoietic system, general remarks on the examination of, 827.
 literature on, 835.
 pain in diseases of, 837.
 possible etiological factors in diseases of, 836.
 subjective symptoms in diseases of, 836.
 symptoms suggestive of uremic poisoning in diseases of, 838.
- Urotoxic coefficient, Bouchard's, 899.
- Uterine adnexae, 929.
- Uterine hemorrhage, 1001.
 definition of, 1001.
 literature on, 1002.
 during parturition, 1001.
 during pregnancy, 1001.
 during the puerperium, 1001.
- Uterine hemorrhages, not associated with pregnancy or the puerperium, 1002.
- Uterine sound, examination with, 930.
- Uterine tubes, diseases of, 1005.
 inflammation of, 1005.
- Uterus, body of, 928.
 cancer of, 1002.
 early diagnosis of, 1003.
 literature on, 1003.
 microscopic examination in, 1003.
 occurrence and symptoms of, 1002.
 physical examination in, 1002.
 diseases of, 1000.
 fibroid tumor of, 1003.
 diagnosis of, 1004.
 literature on, 1004.
 size and site of, 1003.
 symptoms of, 1003.
 in pregnancy, 932.
