CHEST PROTECTORS

People with weak lungs or those prone to taking cold often make two mistakes. First, neglect to use a chest protector or chamisio vest in winter; second, fail to get one that really protects. The best chest protectors are designed scientifically. They keep in warmth and vitality. They keep out cold and dampness. These we sell are rightly made; are real chest protectors. Cost too little to go without—have them from 75c. up to \$2.00.

Religious Disturbances in Brittany Village.

Paris, Feb. 20.—There was a revival of the religious disturbances which characterized the closing of the Congregationist schools in Brittany last summer. The nuns having reopened their school at the village of Saint Meen, near Lesneven, a police commissary accompanied by gendarmes proceeded to serve the order to close the school. When he arrived the church bell sounded the tocsin, and 300 peasants surrounded the tocsin, and stones greeted the gendarmes, who, however, forced their way through the crowd and into the school. The commissary read the order to the lady superior, who promised to depart within a week.

HOW TO BE

Cured of Piles Without Pain.

First: Change from sedentary occupation to wisely chosen, more active work.

Second: From indoor to outdoor life.

Third: From wrong to right clothing.

Fourth: From unhealthy, rich living, to a mild hygienic diet.

Fifth, sixth and last, use Pyramid Pile Cure regularly, and according to directions, for it is the right cure as it has hundreds of others.

Don't wait until you are a helpless invalid, for a seemingly simple case of hemorrhoids, or piles, may, if neglected, rapidly lead to worse. The unnatural formations become tumorous and permanent, and the inflammation grows until abscesses form; the disease burrows into the tissues, forming tubular growths which discharge pus; cancerous conditions, and gangrenous degeneration appear.

What is needed at the start, or at any stage, is something to soothe this inflammation, reduce the swelling and hasten, and at the same time restores the diseased parts to normal condition. These three things are accomplished perfectly by the Pyramid Pile Cure. It checks all progress of the disease, and rapidly returns the affected parts to health, besides relieving at once the pain and fearful irritation.

"I began using Pyramid Pile Cure, and in order to make sure of a cure bought five packages; for the last six weeks I have not been troubled in the least, and I had been bothered for thirty-five years, and had spent more than fifty dollars for different remedies; this is the first permanent help I have had, and no one could feel more grateful than I do." L. M. Williams, Conneaut, Ohio.

Pyramid Pile Cure is sold by druggists generally for fifty cents a package, and we urge all sufferers to write Pyramid Drug Co., Marshall, Mich., for their valuable little book describing the cause and cure of piles.
