

IV. Whereas in the front of the said second concession from the eastern boundary, the old monuments are obliterated and no certain boundary or post remains; therefore the inhabitants of the front of said concession, or any number of them interested, are hereby authorized to procure a duly licensed Deputy Provincial Surveyor to measure along the front of the said concession, from the town line west to the side road between lots numbers six and seven, as established by this Act, and to average the lots between said two governing boundaries, or to measure along said concession from said side road to the side road between lots numbers twelve and thirteen, as established by this Act, and to average the lots between said two governing boundaries, or to measure along said concession from said side road last mentioned to the town line east, and average the lots between said two governing boundaries, such survey or surveys to be made at the cost and charges of the applicants, or (if in the judgment of the surveyors it would be more equitable) to be charged by such surveyors to the owners or occupants of all the lands interested, in proportion to the services rendered, and to be recovered by him according to law, whether such owners or occupants be residents or not.

Certain corner posts in the second concession confirmed.

V. The posts planted by Alexander McIntosh, Deputy Provincial Surveyor, in the year one thousand eight hundred and thirty-seven, at the angles of the lots in the second concession aforesaid, on the line between the said concession and the block, are hereby confirmed as the boundaries of the several lots in the south half of the said second concession.

Public Act.

VI. This Act shall be deemed a public Act.
