

What Your Unionist Candidate Stands for

Union Government stands, first and foremost, for the speediest possible and most effective reinforcement of the Canadians fighting in the trenches. Over there, Liberals and Conservatives fight shoulder to shoulder for Canada. Here, too, Unionist Candidates pledge themselves to lay aside personal and party differences to the end that nothing may interfere with Canada's prime duty.

Loyalty to our Troops at the Front

Since loyalty is not confined to any one party, creed or sex, it is but a natural evolution of conditions arising from the conduct of a great war that former opponents should unite in action, as in purpose. Your vote for the Unionist Candidate will help to return to power those men, Conservative and Liberal, who are devoting their energies to Winning the War.

Old Parties United in Crisis

Union Government pledges itself to prosecute the war with ceaseless vigour, to strive for national unity, to administer the public departments with economy and efficiency, to devise measures of taxation which will regard social justice, and to neglect nothing that may be required to sustain the soldiers on service or to comfort those of their household whom they have left behind.
