ANY KIND OF SKIN TROUBLE

Quickly Yields to D. D. D. Prescription.

Oil of wintergreen is recognized by the medical fraternity as one of the best of all remedies for skin diseases. But it has been found most effective when combined with thymol, glycerine, etc., as in D. D. D. Prescription.

The following letter, written on July 12 last by Mrs. R. E. Purdy, of Condie, Sask., gives an idea of the variety of the uses of D. D. D. in the household:

"Last winter I sent for one of your free samples of D. D. D. Prescription. I tried it on sores that broke out on a teething baby's head, on cold sores and on a mild type eczema, and found it worked well, curing each trouble quickly and easily.

This summer we have used it on bad mosquito bites and it heals them in two or three applications.

D. D. D. is wonderfully soothing, cooling liquid, which instantly allays the itching caused by skin diseases, and cures them.

For free sample bottle of D. D. D. Prescription write to the D. D. D. Laboratory, Department T.C., 23 Jordan St., Toronto.

For sale by all druggists.

The Countess Decides

CONTINUED FROM PAGE 11

As the days passed, the Countess became the acknowledged leader of society at the Ptolemy Park, and the young lady quite palpably enjoyed her reign hugely, which she had every right to do, because her Paris gowns were numerous and resplendent. It was unaccountable that one so well qualified to shine in polite society should have been a recluse for so long, and predictions were freely made that she would never return to her hermit life.

The man who had helped to conquer the Nile allowed no grass to grow under his feet in his attempt to conquer the lady, even if grass grew in the desert, which it did not. The frequent absences of Lord Warlingham, who quite correctly stated that annoying matters of business called him to Cairo, and even to Alexandria, gave Richard Sanderstead opportunities of which he was quick to take advantage. These opportunities vanished when the submarine cable at last fulfilled its destiny. The news was well worth the money it cost, for the lady's income proved to be between £14,000 and £15,000 a year. Even a man with the expensive tastes of Warlingham could do with that, as he remarked to himself. Nevertheless, two words at the end of the cablegram disquieted him. They were: "Wait letter." He wondered what the letter could contain that it needed this courier of caution. Perhaps there was insanity in the Croydon family, which might account for the lady's avoidance of publicity. Still, she showed no sign of it, and, anyhow, that would not matter if the money were right. Hard cash has no delusions, whatever may be the mental attributes of its owner. Perhaps, however, the money might be tied up in some annoying manner, which would be a more serious, but probably not an insurmountable difficulty. He would chance it and wait no letter. That confounded engineer was making the running, and his advances were far from being discouraged by their object. Hang it all! when the letter arrived, it might be too late; whereas when he secured her, he could always find a way of retreat if the contents of the letter made retreat necessary. The nobility often sued for divorce, but never for breach of promise. The latter was a form of litigation monopolised by the lower classes, so he was safe in any case.

The moon was growing older, and the nights were becoming like chastened silvery days. The Countess declared that she never before knew what moonlight really was, and Lord Warlingham urged her to view the Pyramids as Melrose should be viewed. As the night was chilly, he advised wraps, and his attitude was one of fond protection, which is not without its influence upon the feminine heart. The moon shone upon the right-hand cheek of the Sphinx, bestowing additional mystery upon that inscrutable face. It lit the eastern side of the Great Pyramid, and thither the two bent their steps. Their conference was disturbed now and then by unexpected Arabs who seemed to rise out of the sand to demand contributions; but one glance at his Lordship's countenance sent them to earth again. They knew him these many days, and had made no money out of him, so even their insistent clamour was stilled when they recognized the Englishman whose imperturbability had always baffled them. Their unlooked-for advent somewhat startled the lady, but Warlingham made some jocular allusion about those classical Johnnies, don't you know, who sprang full armed from

Let us again remind you that we guarantee the following lines of Pen-Angle Hosiery to outwear others. That means the best wearing hosiery sold anywhere.

The reason why they will wear longer is because of the exceptional quality of the cashmere and cotton yarns we use. And because we knit them on Penmans' exclusive machines. We have the sole rights to use these machines in Canada.

They're Seamless

These machines form-knit the hosiery to fit the form of the leg, ankle and foot perfectly, without a single seam anywhere to irritate your feet or rip apart.

They reinforce the feet, heels and toes—the places that get the hardest usage—without you ever being aware of any extra thickness.

You see, these machines increase the wear resistance of Pen-Angle Hosiery and at the same time make them more comfortable—your ideal hosiery.

Make up your mind right now that you will never again buy hosiery with horrid seams up the leg and across the foot—hosiery less serviceable—but get Pen-Angle 2 for 1 guaranteed hosiery.
