The public have a right to know what they are using as food. Anything that so vitally affects the health of the family as the daily bread we eat should be free from any suspicion of taint, and housekeepers should demand that manufacturers plainly state all the ingredients of compounds that are used in the preparation of our daily diet. Do not use baking powders whose manufacturers wholly or partly withhold from the public a knowledge of the ingredients from which they are made. CLEVELAND'S SUPERIOR BAKING POWDER is made only of purest Grape Cream of Tartar, Bicarbonate of Soda, and a little wheat flour, the latter to preserve the strength of the powder.
