Youths charged in Christmas trees theft

Mississauga police charged two Oakville youths with thefts over \$50 after they were found in a truck with \$90 worth of Christmas trees.

The youths were spotted early Sunday morning in the

vicinity of Sheridan Mall with a truck-load of 16 trees.

Further investigation showed there could be a connection between the youths and the theft of 10 Christmas trees from a Mississauga

service station and 10 more trees from a shopping plaza in Oakville.

Charged with three counts of theft are Herbert McKay 18, and David John McKay 16, of Dundas St., Oakville
