Ottawa, September 29, 1909.

Dear Dr. Eby:

I received this morning your letter of the 25th instant.

I have seen Mr. Marcell, and he will have a talk with Mr. King on the latter's return to the city in a day or two, with a view to seeing if some arrangement cannot be made for looking after the Quebec part of the Peace Society's work.

Upon Mr. King's return I shall bring your letter and enclosures to his attention, and he will, no doubt, write you fully in regard to the matter.

Yours respectfully,

(Sgd) Francis Giddens.

Rev. D. F. Eby,
Sec. Canadian Peace and Arbitration Society,
88 College Street,
Toronto.
