The Hon. W. L. Mackenzie King,
Minister of Labor,
Berlith, Ont.,

Dear Mr. King:-

I have yours of the 7th.

I was only joking you about the positions in your
Department. I thought you got to know me well enough in a week to
have known that.

If there is anything I can do for you during the
campaign let me know and I will be pleased to attend to it.

Yours truly,

W. Mackenzie King
