

RESOLUTION PASSED UNANIMOUSLY AT A
COMBINED MEETING OF THE COMOX AND SALMON RIVER
BANDS AT CAMPBELL RIVER, B.C. on SEPTEMBER 13, 1940.

"We, the following members of the Comox Band of the Cowichan Agency, and the Salmon River (Kahkahmatis) Band of the Kwakwalth Agency, hereby request the Indian Affairs Branch to approve of the amalgamation of our bands under the following arrangement:-

1. That the two bands, when amalgamated, shall be known as the "Comox Band", all business and correspondence relating thereto to be henceforth done in the name of this Band.
2. That Chief Andrew Frank, present Chief of the Comox Band, and Chief Moses Moon, present Chief of the Salmon River Band, shall remain as Chiefs of the combined Band, with equal powers and responsibilities.
3. That the Reserves of the two bands shall be amalgamated under the ownership of the new Comox Band.
4. That Trust Account No. 331 of the Salmon River (Kahkahmatis) Band shall be transferred into the present account of the Comox Band, the combined accounts henceforth to be the property of the two amalgamated bands.
5. In regard to the administration of the amalgamated Comox Band, we feel for this purpose it would be better to have this new Band included in the Kwakwalth Agency, as that would merely extend the boundaries of this Agency to Comox, whereas the Cowichan Agency would have to be extended within the territory of the Kwakwalth Agency to include Salmon River Reserve No. 1"

"We hereby sign the above resolution signifying our agreement thereto, and request the Indian Affairs Branch to approve of same at their early convenience. "
