THE COMPANY ISSUES POLICIES ON ALL APPROVED PLANS.

THE COMPOUND INVESTMENT PLAN

possesses all the advantages of the Company's favorite Semi-Tontine Plan, with the addition that after it has existed for ten years the Company will loan to the holder, if he so desires, the premiums payable for the remainder of the term, to enable him to keep the policy in force to the end of the Investment period. Should death occur any time after the tenth year the full amount of the policy is payable, and the loan [if any] cancelled.

The Policy Contract is a Simple one, free from onerous conditions and uncontrollable after three years.
