would record over. He is a beautiful in-dividual, weighing about 1,300 hm. He is much better than his photo shows him, as he is a buil of great width. He is very quiet, and I found his hide and hair extra good. His daughters all resemble him. "The sacretty of help did not permit me to see any more of the great New York Sitete herds of Moisteins."

THE RODNEY SALE ON APRIL 10.

THE RODNEY SALE ON APRIL 10.

There will be some especially good buying at the Holstein sais of Mr. A. D. McGugna, at Glenoro Stock Parm, Rodney,
McGugna, he is located in a district
where dairying is not certied on to any
extent, and the 50 heads of heavy producstrent, and the 50 heads of heavy produstrent, and the 50 heads of heavy produthey would if he were located in any of
the leading dairy districts. Although no
the leading dairy districts. Although no
the leading dairy districts. Although no
heavy producing ones and high testers were revery best, and some but high class sires
have been used. Many of the cows in
browder from the first, and only the heavy
