

SUDDEN DEATH OF REV. T. E. FINEGAN

Orangeville, Sept. 15.—The remains of Rev. Father T. E. Finegan, parish priest of St. Peter's Orangeville, are being taken to Syracuse, N. Y. He died alone in his church of heart disease. Dr. Henry was called upon when the discovery was made, and stated that the priest had been dead about two hours. No inquest will be held. Father Finegan was very popular in the town, taking a keen interest in all public affairs. He was a very active member of the Children's Aid Society. He was born in Syracuse, N. Y., in 1870, and was graduated at Manhattan College, New York, and St. Michael's College, Toronto, and also from the seminaries in Toronto and Montreal. He was ordained on December 21, 1897, and for a time was Curate at St. Michael's and at St. Paul's, Toronto, and priest at Grimsby, Barrie, Dixie, and St. Joseph's, Toronto, removing to Orangeville about four years ago. Funeral Mass was celebrated here today by Right Rev. M. D. Whelan, V. G., Toronto, and the sermon was preached by his former pastor, Rev. Dr. Treacy, of Toronto.

APPRECIATION

Hon. Bird S. Coler, a non-Catholic, writes: "How strange it is for me, with my early prejudices against the denominational schools, to be constrained by the facts of life to turn to the Catholic school as the hope of the American people! I have found in the parochial schools the saving principle which has been eliminated in the public school system. I found a secular education which in every recent test has shown superior efficiency over the public school education. I found the idea of authority dominating secular instructions and the idea of the divinity vitalizing moral instructions. I have found the idea of personal responsibility to God being pressed home upon the mind of youth. I know of no other way of making good citizens. Therefore, I can say that in its parochial school system your Church has built an institution that makes for the conservation of the American ideal life and government."—Catholic Bulletin.

Those Who Fought Endorse the Citizens' Liberty League

Extract from Toronto Star Sept. 10th, 1919

VETERANS ASK SALE OF BEER AND WINES Oppose Return of Open Bar, But Would Learn From French System. Denouncing the License Act as "stupid," and the Ontario Temperance Act as "atrocious" and "a maker of criminals," and affirming their intention of resisting "the tyranny of pettifogging government," Parkdale G.W.V.A. went on record last night as favoring the sale of beer and wine, and advocated an affirmative answer to all four questions on the forthcoming referendum, as the means of attaining that end. There was no discussion on the motion, Col. A. E. Hunter, president, expressing the opinion that every phase of the subject had been fully considered at the last meeting. By way of demonstrating this fact to the members, he asked about the request, and a disposition on the part of some to back was drowned by the applause of the majority for the courage of the command. No one responded to the second question, which was that all in favor of the restoration of the open bar should rise. The third question, asked by Col. Hunter was: "How many of you think your views could be changed by unlimited discussion?" None thought so, and the following resolution was carried, with dissenting voices: "That when we went abroad there was in force in Ontario a stupid License Act under which whiskey was sold over the open bar, and when we returned we find in force an atrocious Act which has already made a hundred times more criminals than Fagin the Jew, that in the meantime we have had experience of a rational system, under which the request, and a disposition to submit to the tyrannical, pettifogging, and tyrannical government. That we should hate to admit that we are inferior to self-control to the average Frenchman, and we do not admit being treated like Indians on a reserve or inmate of a jail farm. That the use of beer and wine is a man's business, and we do not in any event, having rejected the tyranny of Wilhelm, propose to submit to the tyrannical, pettifogging, and tyrannical government. That the only way to clear the issue is to vote yes on all four questions on the referendum; that in our opinion, the statesman who cannot express the popular desire for rational temperance legislation by drafting an Act that will be neither a man's business nor a tyrannical O.T.A. is mentally too lazy to continue as a public servant, and that the aspiring legislator who cannot distinguish between beer and whiskey is not sufficiently intelligent to remain in public life."

The Citizens' Liberty League is proud to state that the following Organizations of Veterans have signified their approval of the League's objects and are supporting it in the endeavour to obtain sane, moderate temperance legislation.

Great War Veterans' Association—Toronto Branches: Parkdale. Central. Riverdale. West Toronto. Earls court. The Grand Army of Canada. His Majesty's Army and Navy Veterans' Association. The Naval Veterans' Association. The Originals' Club. 75th Battalion Association. 83rd Battalion Association. 75th Battalion Officers' Association.

These great Organizations of men who were the first to answer the call in the fight for liberty are endorsing the platform of the Citizens' Liberty League because they know, with the League, that the Ontario Temperance Act unduly restricts the liberties of the citizens of the Province.

These men ask,—and what men in the Province have such a right to ask?—that you vote "YES" on questions 2 and 3 on the Referendum Ballot—and so assure to the citizens a beer containing 2.51 per cent. alcohol by weight, absolutely non-intoxicating—the Beer of the Ballot.

Vote "YES" on all Four Questions Remember, every voter must vote on every question or his ballot will be spoiled. Citizens' Liberty League PROVINCIAL HEADQUARTERS 22 College St., Toronto President: Lt.-Col. H. A. C. MACHIN, M.P.P. Hon. Treasurer: F. GORDON OSLER
