THE CATHOLIC RECORD. SEPT. 6, 1884 7 FARM AND LIVE STOCK NOTES. Solling saves fencing. House the harvest tools. Have pure air in the stables. Timothy is a bulbous plant. White wheat needs rich land. Drainage lengthens the season. Cheese ripens best at 70 degrees of har. Marge milk flow attends only a liberal dist. Over churning spoils the texture of HEALTH FOR ALL!!! HOLLOWAY'S PILLS & OINTMENT THE PILLS THE PILLES Purify the Blood, correct all Disorders of the LIVER, STOMACH, KIDNEYS AND BOWELS, They invigorate and restore to health Debilitated Constitutions, and are invaluable in all Complaints incidental to Females of all ages. For Children and the aged they are priceless. THE BOINTEMES, Bad Breasts, Old Wounds, Sores and Ulcers. It is famous for Gout and Rheumatism. For disorders of the Chest it has no equal. FOR SORE THROATS, BRONCHITIS. COUGHS, Colds, Glandular Swellings and all Skin Diseases it has no rival; and for contracted and stiff joints it acts like a charm. Manufactured only at Professor HOLLOWAV'S Establishment. over churning spoils the texture of utter. Be sure the barley is not sweating in he bin. Fall neglected sheep will suffer all win-Super Structure of the pot near the middle with the finger knuckle, it gives forth a hollow ring, water is needed; if there is a dull sound, it indicates that the soli is still sufficiently loaded with moistbutter. Manutactured only at Professor HOLLOWAY'S Establishment, **78**, **NEW OXFORD ST.** (LATE 533, **OXFORD ST.**), LONDON, id are sold at 1s. 1jd., 2s. 9d., 4s. 6d., 11s., 22s., and 33s. each Box or Pot, and may be had of all Medicine Vendors throughout the World. Purchasers should look to the Label on the Pots and Boxes. If the address is not 533, Oxford Street, London, they are spurious. Fall neglected sheep will suffer all win-ter. Regular salting improves the appetite of animals. Clover seed is believed to be an ex-hanstive crop to the land. No valuable grass ever grew naturally on a permanently wet soil. By using the drill for sowing, the depth of covering is uniform, and there is no loss of seed. Mangels are to be preferred to turnips for milch cows, as the latter flavor the milk and butter objectionably. On the same diet, a fattening animal at rest in a comfortable pen will increase in active exercise. and a Bundock Cures Dizziness, Loss of Appetite, Indigestion, Biliousness, Dyspepsia, Jaundice, Affections of the Liver and Kidneys, **BLOOD** Pimples, Blotches, Boils, Humors, Salt Rheum, Scrofula, Erysipelas, and all diseases arising from Impure Blood, Deranged Stomach, or irregular action of the Bowels. YOUNG LADIES' ACADEMY, CONDUCTED BY THE LADIES OF TH SACRED HEART LONDON, ONT. The Conditive unrivailed for healthiness offer-ing seculiar advantages to pupils even of delicate constitutions. Air bracing, water pure and food wholesome. Extensive grounds afford every facility for the singer, not only increase unsurpassed. The Library contains choice and standard works. Literary reunions are held monthly. Vocal and Instrumental Music form ap to minent feature. Musical Soirces take place weeky, elevating taste, testing improvement and ensurir. Self-possession. Strict atten-ition is pairid to promote physical and inter-ments to satitifie difficulty of the times, without impairing the select of manner. For further particulars apply to the Superactive exercise. English farmers of intelligence claim that a better crop of wheat will come from land whereon clover has been grown for THE SURE CURE KIDNEY DISEASES, land whereon clover has been grown for seed the year before than where it was mown twice for hay. On light loams wheat does better on rather a firm bottom, such as results from plowing only once, and that in the spring, and then depending for after culture on shallow working of the soil with a culti-vator and harrow up to seeding time; but the surface for several inches deep cannot be made too mellow. LIVER COMPLAINTS, CONSTIPATION, PILES Z Mambur AND BLCOD DISEASES. PHYSICIANS ENDORSE IT HEARTILY. **OPINIONS OF THE PRESS:** "Kidney-Wort is the most successful remedy I ever used." Dr. P. C. Ballou, Monkton, Vt. "Kidney-Wort is always reliable." Dr. R. N. Clark, So. Hero, Vt. "Kidney-Worthas cured my wile after two years suffering." Dr. C. M. Summerlin, Sum Indi, Ga. The following extracts are from some of the many and lengthy notices which these Notes" have received from the Press-Protestant and secular as well as Catholic-through-ut the country. "They are written by the hand of a master."-- Washington Catholic. be made too mellow. Stacking Hay and Straw.—This will not be done when there is ample barn room; it where it is found necessary, much may be done to preserve the contents of stacks "Remarkable for keenness of logic and (these Notes) play havoc with many of the infidel's pet theories." Institution. For further particulars apply to the Super-or, or any Priest of the Diocese. Is what every public laundry should use NONSUCH! IN THOUSANDS OF CASES pet theories." "The author completely turns the table on the doughty Colonel. We commend the volume to all who would see the assumptions and crudities and mistakes of Ingersoll turn-ed inside out, upside down, end for end, over and over."-Chicago Star and Covenant (Leading Universalist paper in the Western States.) "There is neither truth, nor life, nor argument left in Ingersoll when Father Lambert has done with him."-Chicago Western Catholic. "The author takes up and thoroughly riddles the impious blasphemer."-Louisville West-ern Recorder (Protestant) and where all else had failed. It is mild, iont, CERTAIN IN ITS ACTION, but s in all cases. or, or any Priest of the Diocese. ST. MARY'S ACADEMY, WINDSOR, ONTARIO.-This Institution is pleasant.y located in the town of Windsor, opposite De-troit, and combines in its system of educa-tion, great facilities for acquiring the French language, with thoroughness in the rudimen. Ital as well as the higher English branches-Terms (payable per session in advance) in Canadian currency · Board and tuition in French and English, per annum, §100; Ger-man free of charge; Music and use of Piano, §40; Drawing and painting, §30; Pirvate room, §30. For further particulars address:- MOTHER SUPERIOR. 43.19 by proper attention to topping. In laying up stacks the great point is to keep the centre constantly highest. Hay stacks may be benefited by the use of a load of straw placed carefully on top of them and afterwards raked downward. Straw if Is what every family wants. NONSUCH! 137 It cleanses the Blood and Strengthens and ives New Life to all the important gives New Life to all the important organs of the body. The natural action of the Kidneys is restored. The Liver is cleanast of all disaase, and the Bowels move freely and heakhfully. In this way the worst diseases are cradicated from the cystem. Is guarante ed not to injure any fabric. NONSUCH! wash in one hour what usually takes one day by the old way. NONSUCH: "It is a book that should be in the hands of every Catholic."-Notre Dame Scholastic. atterwards raked downward. Straw if preserved in good condition is such a great help in wintering the farm stock, that whatever has to go into stacks, as much pains should be taken in building these as with her stacks. PEICE, \$1.00 LIQUID OR DEY. SOLD BY DEUGGIST "Reader, get this book, and af er reading it yourself, pass it to your neighbor,"-Dona-oe's Magazine. Will not tear or wear out the clothes. No labor or fatigue caused by using it. NONSUCH! Dry can be sent by mail. WELLS, RICHARDSON & CO. Burlington Vt. " Should be read by Christians of all denominations. Father Lambert scourges the little infidel with his own whip."-Springfield [Miss.]Herald. "Father Lambert has completely upset all the infidel's sophistry and exposed the shal-swness of his eloquence."-Catholic Columbian. Once tried commands the approval of all and gives satisfaction in every case. with hay stacks. Good straw with the ad-dition of a small quantity of grain or meal, will serve as well as hay in wintering KIDNEY-WORT "The refutation will serve to dissipate the haze of doubt which may have found its way not the hearts of the faltering, through the seductive oratory of the infidel humorist." BUPERIOR. 43.19 43.19 URSULINE ACADEMY, CHAT-Ine Ladies. This institution is pleasantly situated on the Great Western Railway, 50 miles from Detroit. This spacious and com-modious building has been supplied with all the modern improvements. The hot water system of heating has been introduced with success. The grounds are extensive, in-cluding groves, gardens, orchards, etc., etc. The system of education embraces every branch of polite and useful information, in-cluding the French language. Plain sewing, fancy work, embroidery in gold and chenilie, wax-flowers, etc., are taught free of charge. Board and Taition per annum, paid semi-annually in advance, \$100. Music, Drawing and Pairting, form extra charges. For fur-ther particulars address, Morners Superior. NONSUCH! meal, will serve as well as hay in wintering stock, and be much cheaper. It should be fed just liberal enough that the refuse will make a good bed for the animals. Fattening Animals to increase the Man-ure Pile — The practice of buying cattle in the fall and fattening them on the farm as a means of enlarging the manure sup-ble is every user on the increase in the -Baltimore Mirror. • Father Lambert takes a firm hold of the infidel at the very start and keeps him in the toils until he disposes of him. Every man in the United States, of whatever religious belief, or no belief, should have a copy of the book."-Bay City Chronicle. • We kope this pamphlet will fiad numerous readers among non-Catholics who desire, to see the rot and rant of Ingersoil rabbed out by the learning and logic of Father Lambert -San Francisco Monitor. When used as directed has never failed to please and satisfy. HALL'S VEGETABLE SICILIAN NONSUCH ! Hair Renewer. "As acceptable to any good Methodist or Baptist as it is to any good Catholic. It is cold and incisive * * Successful beyond any of the efforts in that direction heretofore made." NONSUCH Seldom does a popular remedy win such a strong hold upon the public confidence as has HALL'S HAIR RENEWER. The cases in which as a means of enlarging the manure sup-ply is every year on the increase in the eastern part of the country. It is found that in the average season the animals can be fatted to a good profit, and much feed which otherwise would have been mar-keted, is kept on the farm in the shape of manure just as it ought to be. Starting the season with a barn full of straw, hay, outs and some grain, and a herd of twenty Rochester Union. "An able reply. A stepping-stone to salvation for those who are wandering in the vale of doubt and darkness, but who would embrace the light could they but find it."-North-western Chronicle, St. Paul, Minn. "Decidedly the most vigorous review and handling of Ingersol1 that has yet appeared." -Louisville Old Path Guide (Protestant). "Fully answers the blatant inidel."-Central Methodist (Cattletsburg, Ky). "Humorous and entertaining - pungent and incisive; they are centre shots, and never fail to floor the rh torical blasphemer."-Western Watchman, St. Louis. "An embed dear reasoner. The pamphlet should have many readers."-New York Herald. Is manufactured only by THE MERCHANTS' COMPANY, Detroit, Mich., and London, Ont. it has accomplished a complete restoration of color to the hair, and vigorous health to the IT COSTS NOTHING scalp, are innumerable. Old people like it for its wonderful power to FINE DISPLAY Assume the particulars a saturation of the particulars a state of the particular state of the particular state of the particular state of the particular state of the particulars apply to Rev. DENIS O'CONNO, President. color and because it for its wondering locks their original color and beauty. Middle-aged people like it because it prevents them from getting bald, keeps dandruff away, and makes the hair grow thick and strong. Young ladies like it the season with a barn full of straw, hay, oats and some grain, and a herd of twenty or more steers in a lean condition, by spring the animals may be in shape to sell for a large advance on what they cost. Then this gain, added to the value of an immense heap of the richest kind of ani-mal manure yielded, leaves large values on the right side of the balance, after paying all expenses. Usually some wheat bran, or brewing-grain can enter into the feed with advantage, but to the cattle and to the manure. Such a course kept up for years, results in building up the fertility of the farm amazingly, in the most com-sistent manner, and at the same time that the farmer by careful management is coin-PARLOR AND Heraid. "In this book Lambert gives Ingersoll a scathing such as he has never had before. He takes the very hide off of him. He chews him into mince-meat, and spits him out, and an awful spit it is, too. On nearly every page of his book Lambert makes Ingersoll a liar. This is the most deserved castigation this Attila of infdelity ever enjoyed. It will be good for his soul (if he has any) to read his own condemnation and digest it."-American Christian Review, Cincinnati (Campbellite). "Written with singular controversial insight, depth of thought, and breadth of learning. Father Lambert has a clear, strong, picturesque style, and quickness of perception, as well as originality of thought-a mind that closes on a fallacy with the sudden snap and tenacious grip of a steel trap."-Buful Courier. "Fall of shap criticisims of Ingersoll."-Christian Secretary (Protestant). "We heartily endorse the favorable notices it has everywhere received."-Berlin, Ont., Daily News. CHAMBER SUITES. as a dressing because it gives the hair a beau-tiful glossy lustre, and enables them to dress it in whatever form they wish. Thus it is the CHIFFONNIERES SIDEBOARDS, Steetings. dent. The Egyptian is one of the best beets

for quality and keeping. Potatoes are never benefited by being

left in the ground after they are ripe. Fruit bores: people who visit you to eat your fruit raised at much trouble.

Remedy : charge the full retail price. Blackberries should be left uncultivated after mid summer, as in this condition will ripen up their wood better for

they will ribe up their wood better for standing the winter. Propagating the Currant.—There is no easier task than to get up a stock of young plants. During this month, cut up the shoots into lengths of six or eight inches, removing the leaves; set the cuttings into the surface, and pack the solid in a dry rich spot, so that only the top bud is above the surface, and pack the soil against them as firmly as possible. A year from now you will have strong plants for a

plantation. Winter Spinach.—This is the earliest vegetable in the spring, if the seeds are sown this month. At any time from the loth to the 25th, they may go into the ground, sowing rather thickly in drills one foot apart. Three or four ounces of the seed will yield an abundant crop for an ordinary family. The kind known as

an ordinary family. The kind known as the prickly spinach is the hardiest, and should generally be sown. Just as winter sets in, usually about December 1st, the bed should receive a coat of two inches of swamp hay or other litter. Considering the ease with which the crop is grown, and the acceptable dish of greens it makes in the early spring when the system craves for fresh vegetable food, the winter spin-ach is not met in gardens as often as it should be
