### Who is the Brave Who is the brave?

He who would ever the war-banner wave? Who laughs at the sight of the red battle Where carnage rides rampant, and death.

greans resound-Who presses through blood to the charge with

Nor falters till crushed by the last mortal blow Then, triumphing, sinks to a laurel-wreathed grave\_\_ Him call ye brave?

Brave he may be : Yet with the brutes are there brave ones a Brave is the lion, when roused from his lair; Shielding her cubs, bravely struggles the bear Brave is the dog when he fights for a bone, Nor yields up his right till the contest is won. Rivals like these must the warrior have.

Are they not brave?

Brave is he Whose strife is for duty, whatever it be; Who, having determined his glorious aim, Fulfils it, through poverty, scorning and shame; Who fearlessly grapples with error and wrong, When equity sleeps, and the wicked are strong. Low may his roof be, unnoticed his grave, Yet he is brave.

He too is brave, Who conquers his passions when madly they

rave; Who scorns in the silken enthrallment to stay, That pleasure and sloth on his spirit would lay Who tramples his pride in the dust, and walks on In the pathway that leads where a Saviour has

gone. His plaudits shall sound o'er eternity's wave : Heaven calls him brave.

## Cemperance.

## The Canada Liquor Law.

To the politician the Representation bill, was perhaps the most important measure of pist or moralist there can be no question deeper solicitude. Only think of what Canada might be, under the influence of a law prohibiting the sale of intoxicating drinks! Disease diminished more than one halfcrime more than nine tenths-pauperism nearly annihilated-broken hearts bound up -children regaining lost fathers, wives lost parents lost sons :- general rejoicing, general morality, and general prossults of such a law, and therefore the interintense all over the Province.

voted with his colleague Mr. Cameron, we cannot doubt but it would have made a difcannot doubt but it would have made a difference of ten or a dozen votes; so that, in reality, there is in all probability, as we are delighted to believe, a decided majority of the present legislature in favor of the Maine law. Meanwhile it is very gratifying to find a minister of the crown (Mr. Cameron)

New Hampshire Legislative Agricultural Society, all the speakers objected to hilling a hand-cart filled with wet control cloth stepped upon the threshold of a door way, through which he was passing, and the cart being heavily loaded in the back part, he lost control of it, and being found the hilled portions more likely to be control of it, and being the crown (Mr. Cameron)

The other stead to be a series of the crown (Mr. Cameron)

needed. It is the 60,000 petitioners for this bill who have, in a great measure, produced a result so promising at the first trial; but there will, probably, be much more strenuous and concerted opposition from certain quarters to the measure when next introduced into the legislature, and hence the necessity of an increase of petitions. Let all these 60,000 get petitions ready again for next 60,000 get petitions ready again for next 803000 get petitions ready again for next session, and let as many more as can be New Hampshire a cultivator stated that he II. H. Hatch, John Farmer, John Rodger, reached join them. Let every member have petitions to present, and let every member be talked with and written to on the subject by the friends of Temperance among his constituents, and the result cannot be doubtful. The Sons of Temperance took the lead in getting up petitions last summer, for which they deserve much credit. Let them everywhere renew their efforts. Let old societies and young societies, and Rechabites, and work. ladies, and cold-water armies, all petition; they have all a very deep stake in the measure; and especially let influential gentlemen orchard, to be productive of good, fair fruit. is gratifying to learn that as the work pro- ing," shall be punished by fine or imprison who love their country and have great in- requires to be fed as much as does a field gresses into the interior, the paying qualiti- ment. connected with no Temperance society, come the substances abstracted by the crops parent.—Courier. forward and put their shoulders to the wheel. should be restored. Wesleyan Day School. A CLASS for the instruction of Young Ladies in Al-GEBRA, ARITHMETIC, and ANALYSIS, has been formed in the Wesley an Day School, commencing a quarter after three r.s. This is a favourable opportunity or young Ladies to acquire a knowledge of these subject from a competent Teacher.

# PROVINCIAL WESLEYAN.

The Provincial Wesleyan is one of the largest weekly papers published in the Lower Provinces, and its ampic columns will be well stored with choice and varied matter, rendering it peculiarly interesting, as a Paper to the Family Circle. It is devoted to Religion; Literature: Science: Education; Temperance; Agriculture Labour and thought will be expended on every issue to render it instructive, pleasing, and profitable. A large circulation is necessary to sustain it with efficiency, and keep the proprietors from loss. An earnest appeal is therefore, made to those who feel desirous of supporting the Press conducted on sound, moral, Christian, sae Wesleyan themselves and recommending it to the

The terms are exceedingly low:- Ten shillings per annum, half in advance. Any person, by paying, or forwarding the advance post-paid, can have the paper left at his residence in the City, or carefully mailed to his address. Subscrip-

given for the expenditure. No Subscriptions will be taken for a period less than six months. ADVERTISEMENTS.

The Provincial Wesleyan, from its large, increasing and general circulation, is an eligible and desirable medium for advertising. Persons will find it to their
