THE GREAT Southern Piano House.

Wm. Knabe & Co., of Baltimore, and 5th Avenue, New York. The oldest Piano Manufacturers in America.

This firm have one of the finest and largest factories in the world (5 stories, covering about two and a half acres. For nearly half a century the name has been a guarantee to those looking for

THE VERY BEST PIANO that could be produced. They have unostentatiously won their great reputation by solid merit alone. During their history hundreds of firms in their line have had a puffed up mushroom existence and passed away, while they have steadily gone on until now they enjoy a reputation not surpassed, if equalled, in the world. Owing to the

Large demand for these Pianos in the United States and Canada, and even in Europe,

combined with the high price they command, they have never been offered to the people of Nova Scotia, but being

DETERMINED TO BE FIRST IN OUR OWN LINE

we have the pleasure to announce that we have secured the Sole Agency for these noble instruments, and now with our varied stock can please the Artist, the Wealthy, the Refined, and Everybody else. Sarsaparilla

Is a compound of the virtues of sarsaparilla, stillingia, mandrake, yellow dock, with the iodide of potash and iron, all powerful blood-making, blood-cleansing, and life-sustaining elements. It is the purest, safest, and most effective alternative medicine known or available to the public. The sciences of medicine and chemistry have never produced so valuable a remedy, nor one so potent to cure all diseases resulting from impure blood. It cures Scrofula and all scrofulous diseases, Erysipelas, Mercurotic Disease, Neuralgia, Female Weakness and Irregularities, Jaundice, Affections of the Liver, Dyspepsia, Emaciation, and General Debility.

By its searching and cleansing qualities it purges out the foul corruptions which contaminate the blood and cause derangement and decay. It stimulates and enlivens the vital functions, promotes energy and strength, restores and preserves health, and induces new life and vigor throughout the whole system. No sufferer from any disease which arises from impurity of the blood need despair who will give AYER'S SARSAPARILLA a fair trial.

It is folly to experiment with the numerous low-priced mixtures of cheap materials, and without medicinal virtues, offered as blood-purifiers, while disease becomes more firmly seated. AYER'S SARSAPARILLA is a medicine of such concentrated curative power, that it is by far the best, cheapest, and most reliable blood-purifier known. Physicians know its composition, and prescribe it. It has been widely used for forty years, and has won the unqualified confidence of millions whom it has benefited.
