St. Leon Mineral Water.

DEAR SIR, - Last summer I was down in a low typhod fever, was sent by my medical adviser to the General Hospital. After one month's treatment I returned somewhat better, but remained in very poor health, unable to stand straight up, as I had a constant pain in my stomacn. Got your St. Leon Water one week ago, drank freely, felt it do,me good at once; three days pains all gone; to-day, sixth day, feeling well and can stand straight up

Very gratefully yours, Very gratefully yours, MABY ANDERSON.
