DOMINION CRYSTAL

*The Only Sugar that is Canadian
from the Ground Up*

MORE than 12,000 Canadian merchants are selling this sugar — recommending it to their customers because of its Quality and because of its Canadian origin. Are you one of the 12,000?

In recommending it, you aid in the effort to make Canada more nearly self-supporting—every pound of it you sell means further encouragement to Canada's sugar-beet industry.

We do import the finest of raw cane sugar and refine it—but our pride is in the product we make from Canadian sugar beets.

OUR advertising—appearing in a large number of the leading newspapers—is telling to thousands of Canadian women the interesting story of Canadian sugar beets and how we make from them the finest of sugar. This advertising makes it easy for you to sell "Dominion Crystal Sugar."
