A Novel Scheme.

Necessity, it is said, is the mother of invention, and a farmer in Brant who has suffered keenly from June bugs, has devised a novel home-made method of capturing them. The other night he attached a lantern to a pole, then placed a piece of zinc from the lantern into a tub half full of water. The bugs attracted by the lighted lantern, come bang up against the zinc and drop into the water. The water in the tub was completely covered with bugs in one night.

Reduced Express Rates.

On June 1st new rates went into effect with the express companies. The officials of the transportation department of the Canadian Manufacturers' Association at Toronto have received notification from the Dominion Railway Board that the schedule of minimum tariff charges has been approved. This schedule will be forwarded to the companies and the association at once. It takes in all the weights for 100 pounds and less. This makes it cover about 85 per cent of the express business in Canada, as the larger portion of express matter ranges from 5 to 25 pounds. The rates are graduated on distances and weights. Special rates are wiped out and reductions made general, to go into effect June 1st. The order of the Railway Board deals also with the matter of delivery of express in the larger centres, and under the directions of the board, the areas for delivery are to be very much extended.

Game will commence at 6.30 with an official referee in charge.

Secured Judgment.

The Township of Carrick will be asked to settle the balance of the loss. Magistrate Robb placed the value of the sheep at \$10, and the lambs at \$5 each.

Presentations to Rev. S. Young.

Rev. S. Young who has just closed a pastorate of thirty three years over the congregation of the Clifford Presbyterian church, was made the recipient of a purse of \$300, and a gold headed cane by his congregation on June 1st. The Saugeen Presbytery also presented him with a gold watch, and the Presbyterian churches of Mildmay and Ayrton handed him a liberal purse, as a token of appreciation of his assistance to those congregations. Rev. Mr. Young and family leave shortly on an extended visit to the West.

Boys Before a Magistrate.

The following took place in Tara, according to the Leader, and a similar stunt may take place in Mildmay one of these days. Look out, boys: "The small boys with the fire crackers have been greatly in evidence the past few weeks and after repeated warnings from P. C. Briggs to discontinue the use of them on the street, still persisted in the amusement. On Friday two of the perpetrators received a summons to appear before the magistrate, but the magistrate dismissed the case, warning the boys against the practice. Another young man was brought before the magistrate on Monday for riding a bicycle on the sidewalk. His case was also dismissed with a warning."

Farmer's Excursion.

Don't forget the Model Farm Excursion on Friday June 9th. Excursionists will go by special train, which leaves Walkerton at 7.40, a. m., Mildmay at 7.54 and Clifford at 8.12. A cordial welcome will be given the Excursionists by the officials of the Ontario Agricultural College. Let the people of both town and country arrange for this day's outing. A grand opportunity to view the Farm with its many branches, Experimental Plots, Horticultural Grounds, Dairy Department in full operation, its splendid Herd of Cattle of all breeds, its Poultry Department, its large Museum well worth the trip itself. This will be the greatest and most enjoyable excursion of the season. Electric Cars between City and Farm. All are welcome.

The Late Peter Eckel.

The Fordwich Record has the following to say regarding our former townsman, Mr. Peter Eckel, who was drowned at that village last week:—"Peter Eckel was born in the township of Carrick, County of Bruce, on August 5th, 1875. When eighteen years old, he went to Walkerton to serve his apprenticeship as a baker. Mr. Eckel then spent about two years in the West; returning to Ontario he bought a bakery business in Hanover where he remained for about seven years. Selling his business, he bought the flour mill at Williamsford, which he conducted for a few years. While here he was married to Miss Pauline Schwandt June 3rd, 1902. Before coming to Fordwich on February 1st 1911, he spent a year in Clifford, in the hardware business in company with Mr. Hendrich. Mr. Eckel leaves his widow and three small children, his aged parents and several brothers and sisters to mourn his sad death. Although he had only lived here a few months, his cheerful spirit and sunny disposition won him many friends, and he was respected by all. Mr. Eckel was a faithful member of the German Methodist Church, and was always ready to lend a helping hand in time of need both in acts of kindness and in words."

On Tuesday the local baseball club met defeat at the hands of the Clifford boys to the tune of 9 to 2.

On Thursday of last week, Mrs. George Binkle died suddenly. Mrs. Binkle was 47 years of age and has been not well for a number of years. The funeral which took place on Sunday was largely attended.

N. U. Clemens was visiting in New Dundee last week.

Dr. Brown attended the Medical Convention at Niagara Falls. Dr. Elmer Brown left for the west.

Miss Addie, daughter of Reeve Lippert left for Nebraska, where she will shortly be married to Garfield Wagner.

The home of Nicholas Widmeyer was the scene of a very pretty wedding, when his daughter Mary was married to Albert Glasser. We extend congratulations.

FORMOSA.

Chris Weiler raised his new barn on the farm near Ambelside on Tuesday evening, and the framers will hustle the building to completion, so it will be ready to receive the summer's crops. Since purchasing this farm Mr. Weiler has made wonderful improvements, until now it is one of the best looking farms on the line.

Mrs. Peter Kreitz went to Gagetown, Mich., last week to visit her aged mother, Mrs. Nicholas Bartholomy, who is very ill.

Mrs. Joachim Kraemer, who has been very ill, is improving in health. Our census enumerators, Messrs. B. Beingsnesser and Henry Schnurr, are hard at work gathering statistics in this vicinity. There are so many questions to be asked and answered, that it makes slow work.

The farmers are wearing a pleasant smile these days. The crops never looked so good at this time of the year, and the present indications are that there will be a bumper crop all round.

BORN.

YANDT—In Mildmay on May 4th, to Mr. and Mrs. Ezra E. Yandt, a daughter.
