A Conundrum

Here is anomaly, if not a conundrum which some hotelmen would like a little more light on. "No one but an authorized police officer has a right to ask a person to show his or her registration card" yet a landlord, a proprietor or manager of a hotel or restaurant who knowingly allows an unregistered person to be entertained is committing an infraction of the law. How's it to be done?

Took Term in Jail

Ottawa, July 31.—"I can't come; I am too busy at home on the farm" wrote F. Bouchard, of Hull, when notified some time ago by the military authorities that he was to report for service immediately. Bouchard was arraigned in Police Court today on a charge of "neglecting to report for military duty," and was sentenced to pay a fine of \$25 and \$2 costs or spend a month in jail. He chose the term in jail.

Had the Dead Arisen?

Our corner friend tells us that recently a casket case adorned with beautiful wreaths and sprays arrived in Oshawa from Montreal. The License Inspector became suspicious and decided to view the remains when a liberal supply of Scotch Whiskey and Rye was found reposing in the case. No mourners accompanied the remains but there was much mourning when it was learned that the Inspector had made the discovery. Port Hope Guide.

Biggest Revenue is From Tobacco.

Ottawa, July 31.—The growing importance from a revenue standpoint of the inland revenue stamp collection is indicated by the returns of the Inland Revenue Department for June. For that month the tax rates yielded \$664,436. The biggest source of revenue with prohibition in force practically throughout the Dominion is tobacco on which the collections excise for the month totalled \$1,729,725. The total revenue of the department for the month was \$2,993,630, as compared with \$2,146,995 in June, 1917.

MELVILLE

The August sun is laughing as of old O'er fields full-freighted with their harvest gold. Where harvesters are toiling all day long. Preclaiming cheer with many a lusty song.

But "over there" where bright the poppies blow The harvest fields are red with life-blood's flow. And white grim Death reaps wide his harvest dear. The soldiers' sing—their echoes reach as here. —H.B.A.

The haying season is about over but the extremely hot, dry weather has hastened the ripening of the wheat, peas and barley so that with the first days of August, harvest will be in full swing. The hay crop has turned out better than was expected, but rain is badly needed for the hoed crops and later grains.

MAKE YOURSELF STRONG

People with strong constitutions escape most of the minor ills that make life miserable for others.
