It's Provoking Isn't it?

And yet it is likely to happen any time. The pipe may break and deluge the house with water and maybe the furnace will smoke. The internal leakage of pipes, drains and plumbing are beyond the control of mere mortals. They are like vermin—likely to go into business any moment. Better be on the safe side and let us reinforce them for the winter.

LISTLESS AND TIRED

Vertigo and Dizziness troubled a Chatham lady—She tells how she escaped.

"From these complaints as well as from other afflictions."

Mrs. J. Dell, of Head street, Chatham, Ont., talked cheerfully to our reporter about her recent experience in the use of Milburn's Heart and Nerve Pills.

Said she:

"For two years before I commenced taking Milburn's Heart and Nerve Pills, which I got at the Central Drug store in November last, I never could go to sleep before two or three o'clock in the morning, and even then could not sleep soundly. I was very nervous and irritable, and my head ached all the time, and I felt as if I was being torn apart by a thousand hands."

I had many attacks of vertigo or dizziness so that I could not see to walk across the street. I was very weak and languid, and subject to fainting spells. My heart was very much affected by palpitation, which induced great shortness of breath."

Milburn's Heart and Nerve Pills have removed the dizziness, restored my heart to healthy action, and brought my nervous and physical system to complete health and vigor."

I can say that these wonderful pills are blessing to anyone suffering from the heart and nerve trouble with which I was afflicted. They relieve suffering more quickly than any other remedy I ever heard of."

Milburn's Heart and Nerve Pills may be obtained from any druggist, or will be mailed on receipt of price by T. Milburn & Co., Toronto, Ont. The price of these pills is 60c. per box or three boxes for \$1.50.

SOLD THEM BY AUCTION.

How an Italian Got Rid of His Wife and Daughter.

East Dorchester, N. Y., Feb. 27.—Because Giuseppe Garino could not get along with his wife and daughter, he announced to his friends that he would sell them both at auction to the highest bidder.

Maria, the wife, was aged 31 and was plump and good-looking. Clara, the daughter, was only 18, but was also plump and quite pretty. Each had black eyes and hair, and the auctioneer guaranteed plenty of temper.

Antonio, a Violino, was one of the first to bid for the proposed auction, and he was on hand bright and early.

An admirer of Clara's offered \$15. Like the snapping of musketry, the bids jumped to \$20, \$25, \$30, and so on, far beyond the \$50 mark. Most determined of the bidders was Antonio Violino, and it was to him finally that mother and daughter were knocked down for \$100.

Violino paid the purchase money out of his pouch, and after beer had been drunk all round, he left for New York with his newly acquired property.

EAST BRANCH.

Feb. 23.—Miss Jennie Seward is spending a couple of weeks with friends in Ridgetown.

Miss Annie Stewart is visiting friends in Chatham this week.

Mrs. Hutchinson and Hazelwood were the guests of Miss Sarah Mickle for a few days last week.

Miss Edna Huff, of Dresden, was the guest of Miss Ethel Mickle last week.

Miss Minnie Stewart is visiting friends and relatives in Florence for a few days this week.

Our school has been closed for the past two weeks owing to the teacher, Miss Stone, being confined to her room with a severe attack of inflammatory rheumatism. We hope for her speedy recovery.

Mr. and Mrs. Jas. Benn spent a few days of last week with friends and relatives in Marine City.

Wedding bells are ringing, and as a result we have one bachelor less in section. W. McCready, no longer believes in living alone, and has taken unto himself a wife. The wedding took place at the home of the bride's parents on the North Branch. After the solemn ceremony had been performed the happy couple repaired to the home of the bridegroom, where a sumptuous repast had been prepared, and a pleasant evening was spent by all. The happy couple have settled at home and are kicking. With regard to T. L. Parlo, he never was a member of the order in Kent.

Feb. 27.—Several members of the Egworth League went to Morpeth last evening and gave a concert in the Methodist church there. They were royally entertained by their friends in that village, and after enjoying a sumptuous supper, returned home at a "pancake social" will be held at the residence of Mrs. Peter Labadie next Tuesday afternoon and evening, that day being Shrove Tuesday. Every-body welcome.

Many of us learn that the stories in circulation to the effect that certain young men in town spent their leisure time catching cats for their terrier dogs are greatly exaggerated.

Only one party was engaged in the brutal work, and he has been summarily dealt with.

A copy of the Planet with the item in question, was sent abroad, with certain references pencilled in, throwing suspicion in innocent parties. This was very unfair. The only young man to blame, has lost his situation in Blenheim and has gone away.

Wm. Cadmore, of Hecol, is buying hay in Blenheim, for shipment to Liverpool. He is getting large quantities of fine hay, and will make some heavy shipments soon.

Doc. Morse, of Deamington, is spending a few days with his brother, E. H. Morse.

A meeting of the town council will be held on Monday night.

Mrs. J. E. Morris, entertained a number of young people last evening.

The Aim Of The Boy

* The average boy,—is to wear a Shirt, a real shirt; with a collar, a real collar; made not by his mother, but by the factory.

We have Boys' Shirts to fit the youngster and the youth; and when we say "fit" we mean that the garment will both be easy and becoming.

Sizes are 12, 12½, 13 and 14; material, colored cambric; styles unexceptionable. These are all new season's goods, just out, can't be duplicated in other local establishments. We've marked them at prices that mean they shall not lie on our shelves. Bring or send that boy of yours in and we'll fix him up with linen that will fairly make a new being of him and please him more than a Punch-and-Judy show. He'll go home brimful of good feeling and ready to tell the whole world of the goods and bargains at Stone the Hatter's. That's an advertisement we like to get.

In Other Lines...

OUR CASH SYSTEM WORKS LIKE AN 8-DAY CLOCK

Hats, neck-wear and general furnishings this store leads the procession and draws most of the admiration. There's nothing too good for Stone the Hatter's clientele. That's the idea we have when we face a line of samples. All the best wholesale houses have displayed their '97 novelties to us. We make selections that other dealers dare not handle. Come in and see them, gentleman, and you'll judge we make no mistake.
