

CASH IS KING NOW

And you who are wise enough to trade here pay lower prices than you would have to elsewhere, because we have none of the losses and leaks of the credit system to tack onto those who pay cash. Needs no argument to convince you that cash prices are lower than credit prices. If it did, every line we quote to-day, and every article in the store supplies it.

Millinery

We want to tell you a hat, and there are three reasons why we should: Our stock is entirely new. Our prices are from 10 to 20 per cent. lower than elsewhere. Our workroom artists cannot be beaten for style.

Linens

The great thing about buying a linen is to be sure that it will be as pretty after being washed as it was before. We handle linens from only the best and biggest manufacturers in Belfast—Richardson's Sons and O'Neil's. This not only saves us two or three profits, but enables us to guarantee that every yard will turn out satisfactorily.

Mantles

The reason our Mantle trade is doubling other seasons is simply because we're handling American Coats, made by competent tailors, to fit perfectly, at popular prices: \$4.50, \$6.75, \$7.50, \$9.25, \$10.50, and \$12.50. If you want a coat you can get it cheaper and better here than you can get it made. The last lot to hand, just opened Saturday, are '97 styles.

Dress Goods

In Dress we carry no "cheap" goods but we sell good goods cheap. This is why our dress goods trade grows and grows and grows. It's quite a comfort to those who can't afford costly dresses to be able to get the latest things of the season in Plain and Fancy Black Goods, Tweeds, etc., at 25c, 37 1/2c and 50c. We are showing a particularly varied range at 75c. Most of the lines would cost a dollar, even in the cities.

A Chance to Make Money. I have berries, grapes and peaches—your old, fresh as when picked. I use the California Cold process, do not heat or seal the fruit, just put it up, keep or preserve it fresh, and costs almost nothing; can put up a barrel in ten minutes. Last week I sold directions to over 120 families; anyone will pay a dollar for directions when they see the beautiful samples of fruit. I have many people who like myself, consider it my duty to give my experience to such, and feel confident any one can make one or two hundred dollars round home in a few days. I will mail sample of fruit and full directions, to any of our readers for 18 cents stamps, which is only a small cost of the samples, postage, etc., to you.

I persisted in its use, and to-day I am a cured man, and it affords me pleasure to lend my testimony. Sold by J. P. Lamb & Son.
