Gained 30 Lbs. in Few Weeks Never Felt So Well

Was Pale, Weak and Thin, and Had Nervous Headaches Before Using Dr. Chase's Nerve Food.

It is truly wonderful what Dr. Chase's Nerve Food does for women who are weak, weary and run down in health. Many rich blood is what is needed in nearly all such cases, and because Dr. Chase's Nerve Food forms new blood, it brings a cure—not mere relief, but actual cure—in the great majority of such ailments.

With an abundance of rich, red blood coursing through the veins the nerves are strengthened and vigor and vitality are carried to every organ of the human body.

With the nerves properly nourished, headaches and neuritic pains disappear, appetite improves, digestion is good, you sleep and rest well, and gain in strength and weight.

Mrs. H. Lalch, Cannington Manor, N.S., writes:—“You will remember me writing you last spring. Well, I gave up my doctor and began using Dr. Chase's Nerve Food. This treatment cured me rapidly and I was soon myself again. I was pale, thin and weak, suffered from stomach troubles and liver complaint, and frequently had sick, nervous headaches. “I was surprised to find that in a few weeks' time I had gained 30 pounds in weight. I never felt so strong and well in all my life. Headaches never bother me any more, and I am grateful for the cure. If people would only give this medicine a fair trial they would certainly be cured.”

Generosity.

We cannot of course all be wealthy. Would be worse for us all if we could. We'd be sure now and then to be selfish, and not always to our benefit. To be generous is not always easy. When you're little it's much harder still. But at least you can always give something. If you make up your mind that you will, and it pays every time to give freely.

St. Vitus Dance in Young Children.

One of the commonest forms of nervous trouble that affects young children is St. Vitus dance. This is because of the great demand made on the body for growth and development, together with the added strain caused by study. It is when these demands become great that they impoverish the blood and the nerves fail to resist the harmful effects of overwork.

Canada Wants 35,000 More Men for Firing Line.

Thirty five thousand more men are wanted to go from Canada to the firing line in France as quickly as they can be trained and equipped. This new force is to be composed of twenty-seven regiments of infantry and six batteries of artillery. With its organization the number of men raised in Canada for war service will total nearly 150,000.

Children Cry For FLETCHER'S CASTORIA

Vegetable Foods and Their Value. That many of the ills that flesh is heir to arise from indiscretions in diet is a fact that more of us should realize—and the earlier in life the better. Many of us eat too much. As a result we get too stout as life advances and what is still more serious an extraordinary strain is put on certain of the organs of the system in nature's efforts to get rid of the waste. Farther, we who live more or less sedentary lives, eat too much meat; the man who sits at a desk all day long or stands behind a counter may work as hard as the ploughman, but it is a different kind of work. It does not call for the same amount of strength.

OH, SUCH A HEADACHE!

Nearly everyone has experienced those headaches that come on so suddenly and so severely. They are caused by the accumulation of waste products in the blood. Chamberlain's Tablets are the best remedy for this condition. They cleanse the blood and remove the waste products. They are gentle and safe for all ages.

CHAMBERLAIN'S TABLETS

They are the best remedy for headaches, migraines, neuralgias, and other nervous conditions. They are also useful for constipation and indigestion. They are sold in all drug stores.

Home-happiness and Good Food

are so closely related that a proper start in the kitchen is of the greatest importance. Beginners, as well as experienced housekeepers, to be sure of good, healthful food, should carefully study the label and use only a baking powder shown to be made of cream of tartar.

ROYAL Baking Powder

makes the finest and most delicious food, and its use is a safeguard against baking powders made of alum and offered as substitutes simply because they cost less to make.

Thoughts of Home

AS I PLOUGH THE PRAIRIE IN SOUTH SASKATCHEWAN.
BY J. W. STEWART.
Away on the prairie,
Far from the sea;
My home is in the East,
I'm thinking of thee.
There the apple trees grow,
On the sloping hillside;
There the salt breezes blow
On the coming tide.
The Cape in the distance,
The Chief on its side,
Where the big eddy whirles
In the Minus strong tide.
Then Almyth Cove,
With its sea-wall, so bold;
The enchanted spot,
Where Kidd hid his gold.
I gaze from the Look-off
On the valley, so broad;
O, what blissful people,
How favored of God.
But, dearer than all
Is a little green spot,
On which the sparrow-hawk
And the owl are wont to roost.
And the steel rails are laid,
In the very same street,
Where, Evangeline played,
I know the spot well,
Thee I know I know,
Where I followed my sire,
As he guided the plow.
And I look from the farrows,
With the fish delight,
Little bits of blue dishes,
Or a hook in clay pipe.
The old willows are there,
They've been faithful to mark
The spot of that sorrow,
So deep and so dark.
Their church made a prison,
For Winslow had come
To fester the fathers,
And ruin the home.
The old will is there,
And the old burying ground,
But the stranger has tilled it,
And levelled each mound.
