NEW ARRIVALS FOR SPRING!

Every day we are opening something new for the Spring and Early Summer Trade.

In spite of the difficulty of securing stock we have managed to get together a display that equals, if it does not surpass our best showing before the war.

Prices on everything are higher than ever but we cannot help it. We can only keep our selling prices low enough to let us out with a living profit, and guarantee you perfect satisfaction and complete service.

Prices have doubled on most lines of Dry Goods, Footwear, and all necessities, as well as on Potatoes, Oats, Butter, Eggs, Pork, etc.

Everything is up in price; everything costs more; farmers and wage earners who have to pay more can comfort themselves that they can command more for their service.

But our Spring and Summer Goods are fine. Come and see. Buy if you are satisfied.

PRIVATE BARTER MEETS THE BOYS

Recounts Friendly Meeting of
Carleton Co. Lads in France

Somewhere in France
May 25, 1917

Dear Observer: I want this to be a letter of glad tidings and good news for yesterday I got off duty in the afternoon to look up few of the boys from around home. It was just a year ago 24th of May that so many of us were at Fredericton to the Military tattoo—12 bands there and what a time! How we boys talked of it here today, speaking of where we were that day, what we did and who we saw there. Well I started off and went up to the next village. Looked to be a mile or a little more. Out here in France you want to count three miles for what looks like two. A Pte. Sherwood from down river and I went over and the first man I met to know was Silas DeWitt. Didn't my eyes open? I says "Why, Silas, you are the gladdest sight I've seen for a month for I have a paper from home saying you had lost a leg, a letter saying your hand was shattered, and here you are with all four paws, safe and sound." Silas laughed and says, "Yes, sir, I got 'em all yet." Says I, "Write to-night to your father and mother, and tell them that you have all four paws in perfect working order, for they must be very uneasy."

Next I saw Burden Clark smiling and looking fine and healthy; Corp. Bent also looking every inch a soldier. I cannot tell where or how, but John Orser, Burton Wallace, Hastings Golding, Roy Stevens, Oscar and Walter Estabrooks, Sanford Haines, Ed Foster, Ed Jones, young Foster (from or near Burts' Corner) Walter Hill, formerly from Woodstock, Murphy from Armond, who was badly shell-shaken, is back again. Carleton Miller I also saw a few days ago. John J. Kyle came and spent part of afternoon on 23rd with me. My three brothers Jim, Will and John, are here some-where-in France or Belgium but them I have not seen, but I want the home people to know that I have seen their boys and they are looking fine. People, do you know your boys are making the best and greatest army in the world? We keep the the Germans as nervous as old women and our boys who come over here, country or village boys, are Veterans, now. Some have gone over three or four times in the face of death and won from the Great German War Lord, and still, as you sit and talk with them, you see only kindness and good humor shining in their eyes. The bravest are the tenderest; the loving are the daring."

A few days ago I saw Hal Sipprell—just the same old Hal. I speak not of our dead for they have gone to everlasting glory with an All wise God. The 24th here was fine. Lieut. McDougall who was at Hartland a year ago, has been transferred to the 26th.

For Sale Cheap: One second-hand

I saw him a few days ago. The same gentlemanly officer. Trusting the eyes of friends may find news here, I remain,
Pte. S. G. Barter.

Laugh and Grow Fat

"Laugh and grow fat" is an old saying laden with value for nervous people in particular. Drop the worry habit and use Dr. Chase's Nerve Food and you will soon get the nervous system restored to good condition. Digestion will improve, appetite will return, and you will find such symptoms as headache and sleeplessness fast disappearing.
