Rev. Father Spratt, who when a member of the St. Michael's College team, was one of Canada's fore an outstanling figure among New Brunswick hockevists, while a men ber of the Chatham 'team, is now playing with the Assumption College team at Sandwich Ontario

The other night Father Sprau lead his college team to a 2 to 1 vistory over the Ann Harbor, Michigan sextatte handing the latter club its initial defeat of the season. Father Spratt was responsible for all three goals scored in the match since the Ann Arbor tally came when the puck glanced off his stick into the collegians' net.

Press accounts of the game say that Father Spratt and his tean mate Martin on the Assumption College defence proved too much for the Ann Arbor team and the former New Brunswick and St. Michael's star scintillated with many brilliant rushes through the Michigan sextette. On two of these end to end trips Father Spratt scored. Assumption's final tally came near the end of the contest. Spratt took the puck down the icand when he was checked by a Michigan defence he executed neat about face and scooped the puck bewteen his legs into the net though facing the opposite atrection while he did it

stead at Lower Derby last night about 6:30, which was occupied by Mr. William Russell. It is thought that the fire originated from a defectve flue, as when the fire was first noticed the upper story was a complete mass of flames. The building was completely destroyed as well as all the furniture contani ed upstairs, while some of the downstairs furniture was saved. The flames did not spread to the outbuildings but the loss sustained is a heavy one. As far as we can understand there was no insurance carried on either the furniture or the building. # ATTY. GENERAL RAND ELECTED IN GLOUCESTER

Bathurst, Feb 5-The local government candidate in the Gloucester by-election, Hon Ivan C. Rand Attorney General was elected toda; over tht opposing candidate, J. L. Ryan, barrister by a majority of over 1800 after one of the warmest contests ever staged in this county. long considered as the Liberal pronghold in the Provice. The fact that the opposition candidate, Mr. Ryan was able to reduce a previous majority of over 2800 to 1800 is significant evidence of the tide which is running against the present provincial administration. Mr Ryan, the opposition candidate put up one of the gamest fights in the history of the county and the opposition forces, especially during the last week of the contest were faced by one of the most formidable arrays of speakers ever aligned in

of the government in power. Until nomination day a week age the prospects indicated an opposition win but sincethen every influence at the command of the government forces were thrown in the fight in behalf of the administration. Prospects and promises of great expenditures in the county the Provincial Government went a long way towards stemming the tide against the government.

Both candidates in the contest stood at the polls at the Court House in Bathurst town while Premier Veniot stood at the polls in East Bathurst. The day was clear and the weather not severe and a heavy vote was polled ...

# Cown Tid-bits on the Tip of Everybody's Tongue

NEWOASTLE, N. B. Feb. 10 1925

#### Dear Mr. Crease

I thank you for the box of chocolates which reached me a few days ago. Really I take off my hat to the manufacturers. The chocolates are as good as I have ever tasted and my wife, who is a better judge than I, says they are the best she has eaten. I am no longer from Missouri, but am ready to concede that you Canadians DO know how to make candy. (From a letter written by Mr. A.C. Shaffer of the Insurance Company of North American, Philadelphia)

Needless to say the chocolates referred to made by Moirs.
