ITS CREATION, DEVELOP-

(By Admiral Viscount Jellicoe

This important volume gives  
Lord Jellicoe's personal narra-

ment in August, 1914, until his  
relinquishment of the post two  
years later. The book deals  
with all the naval "affairs" of  
this period, including the Battle  
of Jutland; and therein, of  
course, is its greatest interest.  
With numerous Illustrations,

For the average investor, one of the most  
important considerations in selling or buy-  
ing bonds is to be assured of the character  
of the firm with which he is doing business,  
its experience and the facilities which its  
various departments afford for selling, buy-  
ing and investigating the worth of any  
security.

As an investment house with eighteen years'  
experience in buying and selling high-grade  
Canadian bonds we invite you to consult us  
in regard to your investment problems.
