GETTING IN SHAPE.
Port Huron Times: The committee appointed by the permanent baseball organization to solicit the necessary bonus, has so far succeeded in the past few days that Manager Flaherty has been instructed to send for his players.

It is expected that a majority of the players will arrive and that the latter part of the week, Manager Flaherty assures the baseball enthusiasts that his team has been picked with much care and that he is acquainted with each man personally, and the work that he does so that the trouble heretofore experienced in having a job lot of players thrown into town has been done away with. The committee on subscriptions has been reinforced by New York players, and the bonus will be raised in a few days. In the meantime the grounds at the Port Huron Driving Park will be put in shape for the men to practice on, and Flaherty will take them as soon as they arrive and put them through a course of training for the baseball season, which is scheduled on May 10. Most of the men have been keeping in shape at their respective homes in other states, so that the work of playing together with good results will not take long to accomplish.

FLYS.
A funny incident occurred in the fifth inning of the first Brooklyn-New York game. Van Halten was at bat, when Kennedy made a balk, and the veteran dashed to first, followed by the plaudits of the crowd. "Come back," said Emile. "It's a balk," said Van. "It's a balk," echoed the New York players, and Capt. Davis ran up to the umpire to emphasize the assertion. Emile produced the book of rules, turned to the new rule, which says that the batsman can no longer go to first on a balk, and said calmly: "Here, study this for a while." And Van came back.

John H. Gaffney, the veteran umpire, who failed to obtain a place on the official staff of the National League, has been engaged to umpire all games played on the Holy Cross College grounds at Worcester, Mass., this year.

THE KENTUCKY DERBY.
Louisville, Ky., May 3.—Lieut. Gibson, the good son of G. W. FOR WELL PEOPLE.

An Easy Way to Keep Well.

It is easy to keep well if we would only observe each day a few simple rules of health.

The all-important thing is to keep the stomach right, and to do this it is not necessary to diet or to follow a set rule or bill of fare. Such pampering simply makes a capricious appetite and a feeling that certain favorite articles of food must be avoided.
Prof. Wiechold gives pretty good advice on this subject. He says: "I am 68 years old, and have never had a serious illness, and at the same time my life has been largely an indoor one, but I early discovered that the way to keep healthy was to keep a healthy stomach, not by eating bran crackers or dieting of any sort; on the contrary, I always eat what my appetite craves, but for the past eight years I have made it a daily practice to take one or two of Stuart's Dyspepsia Tablets after each meal, and I attribute my robust health for a man of my age to the regular daily use of Stuart's Tablets."

A physician first advised me to use them because he said they were perfectly harmless and were not a secret patent medicine, but contained only the natural digestives, pepsins and diastase, and after using them a few weeks I have never ceased to thank him for his advice.
"I honestly believe the habit of taking Stuart's Dyspepsia Tablets has been the real health habit, because their use brings health to the sick and ailing, and preserves health to the well and strong."
Men and women past 50 years of age need a safe digestive after meals to insure a perfect digestion and to ward off disease, and the safest, best-known and most widely used is Stuart's Dyspepsia Tablets.

They are found in every well-regulated household from Maine to California, and in Great Britain and Australia are rapidly pushing their way into popular favor.

All druggists sell Stuart's Dyspepsia Tablets, full-sized packages, at 50 cents, and for a weak stomach a 50 cent package will often do \$50 worth of good.

MISS NETHERSOLE SUES FOR DAMAGES.

Washington, May 4.—Suit has been filed in the supreme court of the District of Columbia by Olga Nethersole, the actress, for \$20,000 damages against Rev. Thomas C. Easton, pastor of the Eastern Presbyterian Church in this city. The attorney for Miss Nethersole alleges that Dr. Easton, in a sermon, preached April 1 last, characterized Miss Nethersole as "a lewd woman."

PHILADELPHIA TIMES SOLD.

Philadelphia, May 4.—The interest in the Philadelphia Times owned by the heirs of the late Frank McLaughlin has been sold to a syndicate of local capitalists, headed by Charles F. Kindred, general agent of the Reading Railway. Col. A. K. McClure, who has been a part-owner of the paper since it was established 25 years ago, will remain as editor-in-chief. Mr. Kindred has been a leader of the Republican party for a number of years, and the Times will be conducted as a Republican organ.

LOTTERY LITERATURE BARRED.

Buffalo, May 4.—A special to the Express from Washington, says: The postoffice department issued a fraud order Dec. 28 last against the National Society of Sculpture and Thimble Archambault, of Quebec, Canada, for using the United States mails, in conducting an alleged lottery. Pierre Archambault is said, then took up their scheme where the others left off, using their letter-heads and literature. A fraud order was issued against him under date of April 17. It now appears that A. W. Blouin, of Montreal, Canada, is continuing the scheme, and the department has issued a fraud order against Blouin. The likelihood is that Archambault, Longtin and Blouin are the same person.

PRISONER RELEASED.

Victim of Kidney Disease Escapes From Its Clutches by Means of Dodd's Kidney Pills.
Sharbot Lake, April 30.—Twenty years ago this month, John Nicholas Babcock first noticed the symptoms of Gravel and other kidney troubles. Since that day he has never been free from pain until immediately previous to the report of his complete cure, which appeared recently. He has been like a prisoner sentenced for life, but his sentence is up today.

He says: "After twenty years of pain caused by Gravel and other kidney trouble, I am pleased to make it known that I have been completely cured by one box of Dodd's Kidney Pills. During these years I have spent hundreds of dollars without receiving any lasting relief."

It's Your Move!

If Dyspepsia, or any of its kindred ills, such as Biliousness, Constipation or Headache block your way to health you have the remedy in your own hands. It's your move—you can checkmate it! If you will be guided by what is sincerely told you, by the experience of others, and by the testimony of reputable physicians, you will be well. If health is the desired goal—and surely everyone wants health—Abbey's Effervescent Salt will give it to you—will retain it for you—will keep you constantly healthful!

Abbey's Effervescent Salt is composed of the Salts extracted from the juices of Fresh Fruits. It is Nature's Remedy—gentle and pleasant as Nature herself and just as true and faithful. Its use keeps the system clear—the blood pure. The greater portion of illness is caused by Constipation, which leaves as a legacy Dyspepsia, Biliousness, Flatulency, Headache, Heartburn, etc. Abbey's Salt gives health because it removes all these conditions and teases up the stomach, dissipates the bile and keeps the bowels evacuated—net in a drastic, gripping, unpleasant, unnatural way—but gently, imperceptibly and surely, as Nature intended it should be done. Dear in mind always that the daily use of

Abbey's Effervescent Salt

will positively keep you in good health. Make a move in the right direction to-day. Get a bottle of Abbey's Salt and Health! Many know this. You should! The following statements by eminent physicians will aid you in your search for health.

Dr. J. E. RUSSELL, New York, states: "Abbey's Salt is an ideal preparation, in that it combines laxative and aperient properties in a grateful form and is at the same time palatable. My wife and I particularly efficacious in Headache by its gentle action, and the relief thus obtained from congestion."

Dr. N. B. SIZER, New York, states: "I am glad to say I find Abbey's Effervescent Salt an excellent laxative and aperient. It gives good results in various forms of Dyspepsia and in Constipation. I have often thought the effervescent salts were not half as well known and used, in this country, as they ought to be."

Dr. D. WAGNER, Springfield, Mass., states: "I am pleased to say that my experience with the use of your excellent Salt is very satisfactory, having used it recently in Nervous Prostration with Weakness, Headache, etc., both of which were controlled by it. After much experience, I heartily recommend it to all physicians as one of our best and most reliable remedies. I desire to add my appreciation to the already large list of physicians who certify to the efficacy of your admirable remedy. It has a place among my remedies."

Dr. EDWIN R. BEDFORD, Brooklyn, N. Y., states: "I have used Abbey's Salt in cases of Chronic Indigestion with a tendency to Rheumatism, Biliousness, etc., with perfect satisfaction."

If you need a Spring cleaning, take Abbey's Salt. If you took Abbey's Salt regularly you would not need a Spring cleaning. Think this over carefully. It concerns your DAILY health.

Dr. W. H. WRIGHT, Medical Officer of Health, London, England, states: "Our artificial mode of life constantly causes much changes to take place in the quality of the blood that it frequently becomes impure and we fall an easy prey to infectious diseases and blood disorders of all kinds. I know of no better remedy than your Abbey's Effervescent Salt to keep the system normal and the blood pure."
