HALLEY'S COMET INVISIBLE NOW.

Wanderer will not be seen to
Effect Until After Cross-
ing Sun on Wednesday
NO SERIOUS AFFECTS.

CAMPBELLTON, May 14.—The morning observations of Halley's comet by the Harvard Observatory closed today with another disappointing effort and for the next few days views of the visitor can only be made in broad daylight.
Whether Halley's comet will become sufficiently bright to be seen at noon day tomorrow or on Wednesday either before or after the sun, is yet a matter of conjecture.
If the moon were not quite so bright on Wednesday evening, there might be a chance to see the end of the comet's tail when it scurries down behind the western horizon after the sun. It will certainly be an object of interest on Thursday evening, while on Friday night the comet should be one of the finest celestial spectacles in the last quarter of a century, rivaling the greatest comet of 1882. The transit across the same disc will be visible to observers equipped with dark glasses in Japan, Australia and India, and practically throughout the region from east to west on Wednesday the earth will pass through the comet's tail but as that appendage is believed to be composed of something far thinner than the nearest approach in vacuum on the earth, the Harvard astronomers do not look for any ill effects.

QUEBEC TORIES IN OPEN REVOLT

Unable to Tolerate Borden's Lieutenants—Thos. Chase Casgrain
Now.

LEAVES PARTY IN DISGUST.

MONTREAL, May 14.—To all intents and purposes Quebec Conservatives have seceded from the Dominion party and for cause. It seems, in fact, that the articles appearing in L'Evenement during the past few days were inspired by both the Montreal and Quebec wing of the party.
Hon. Senator Landry who has been in the city since the day before yesterday, has been in private consultation with Sir Alexander Lacoste, Mr. Thomas Chase Casgrain and other leaders, and their decision is to cast off the Quebec ship and sail away alone, or at least till the party under that Mr. P. D. Monk M. P. will take no part in the Quebec Tories' policy of the policy of toleration and mutual confidence, practiced by Cartier and MacDonald.
"We are the true Conservative party," said Mr. T. C. Casgrain, ex-M. P. and ex-Attorney General, today, to your correspondent, "and if we do not make a move our places will be taken by the hot heads of the party."

LONDON, May 10.—The Cabinet today decided to introduce a bill amending the declaration of the King when he asserts his disbelief in the substantiation and adoption of the Virgin and saints and that he make declaration without mental reservation or dispensation from the Pope or other authority. For the declaration that the foregoing doctrines and the mass are "superstitious and idolatrous." It is proposed to substitute the words "are contrary to my belief" and to omit reference to the Pope. The majority of the members of Parliament are believed to favor this change, but the Orangemen and extreme Protestants will oppose them. The Catholics wish the entire declaration abolished, but the law officers of the Crown consider such a safeguard against a Catholic monarch necessary.

One of the first messages issued by King George was addressed to the Navy. In it the King says: "It is my earnest wish on succeeding to the Throne, to make known to the navy how deeply grateful I am for its faithful and distinguished services rendered to the late King, my beloved father, by ever showing the greatest solicitude for its welfare and efficiency."

The King also sent a message to the army.
A message has gone from the King to the Indian princes and people, is expressive of his profound gratitude for their loyalty.
Queen Myther Alexandra has issued the following message to the nation: "From the depth of my poor broken heart I wish to express to the whole nation and our own kind people we love so well, my deep-felt thanks for their touching sympathy in my overwhelming sorrow and unpeakable anguish."

"Not alone have I lost in him my beloved husband, but, my nation, who has suffered an irreparable loss by their best friend, father and sovereign, thus suddenly called away. May God who is all His Divine help to bear this heaviest of crosses which He has seen fit to lay upon us. His will be done."
"Give to me a thought in your prayers which will comfort and sustain me in all that I have to go through. Let me take this opportunity of expressing my heartfelt thanks for all the touching letters and tokens of sympathy I have received from all classes, high and low, rich and poor, which are so numerous that I fear it would be impossible for me ever to thank everybody individually."
"I confide my dear son to your care who I know will follow in his dear father's footsteps, begging you to show him the same loyalty and devotion you showed his dear father. I know that my son and daughter-in-law will do their utmost to merit and keep it."
"Pronouncements are being made in the ministerial press to the effect that the Cabinet cannot go back on the constitutional question, if it wishes, so the present indications are that the constitutional issue will be fought out."

Ranches Attacked and Considerable Property Destroyed.

BIG MUSICAL SHOW COMING

Quick Work of Mgr. Dimc
Famous Japanese Honey Company for One Night.

WEDNESDAY, MAY 18th.

The Japanese Honeycomb, the success of the paper season is the unexpected announcement for presentation at the Opera House tomorrow, (Wednesday) night. It is a brilliant type of the prevailing fashion of New York successes, oddly costumed and picturesque mounted, abounding in clever comedy, amusing situations and original music of the jingly kind that sends you home whistling its bright catchy airs. The original Pony Ballet, the big hit of the season, are with the company. Beatrice Turner has just been transferred from The Wizard of Oz and plays Dorothy. J. A. Beall sings his original role of Ensign Neville Russel Rounson, the basso, joined to Dockstader Minstrel's bass, joined to the comedians, Hamilton and Ramsey, are as funny as ever. To those who have already seen The Japanese Honeycomb, no inducement to enjoy it again is necessary, for those who have not been so fortunate, a welcome evening's entertainment is in store tomorrow night.
Price, usually a criticism of value, has no bearing on this entertainment. The company, which was late owing to change of route, having been secured by telegraph today.

Depend upon it, whoever tries to sell you a substitute is doing so for the profit and not for your good. "D. & L." Menhol Plasters for stiffness, etc., have many imitators. Beware of the substitute. Get the genuine, made by Davis & Lawrence Co., Montreal.
Children must have good blood, otherwise they will be puny, sickly and delicate. If your children are pale, weak and exhausted, give them Ferrovin the invigorating tonic, which is composed of fresh lean beef, Citrate of Iron and pure old Spanish Sherry Wine such cases. \$1.00 a bottle.
A Great Builder—"The D. & L." Emulsion is a healthy builder. It gives weight adds healthy flesh, and altogether overcomes an "underweight" tendency of health.
Neglected Colds, Pains in the Chest, and all diseases of the Lungs, are cured by using A. J. Long Balsam.

The Forestry Branch of the Department of the Interior has just issued its eighth bulletin, entitled "Forest Products of Canada, 1908." This gives the result of the first year's work by the Branch in the collection of statistics regarding the annual production in Canada of lumber, pulpwood, poles and other wood products. The figures have been compiled by Messrs. H. R. MacMillan and G. A. Gutches.

These statistics have been compiled from answers to circulars sent out by the Branch to manufacturers in the different wood-working industries. While it is not claimed that they are complete, yet the figures they give seem to be the most comprehensive yet published.
The work was not new, both to the manufacturer and to the official of the Forestry Branch, and mistakes have no doubt occurred in it.
The work is to be continued, however, and increasing familiarity with the work, both on the part of the manufacturers and on that of the Branch, will doubtless bring about greater accuracy and completeness in the returns.

The total value of the production of lumber, pulp, shingles, cross-ties, poles and pulpwood during the year was \$67,425,044.
The production of sawn lumber is shown by the figures in the neighborhood of 3,348,176,000 ft. of board measure, per annum, valued at \$44,338,036. In this Ontario leads with a production of 1,284,744,000 ft. valued at \$24,398,077. Quebec being second with 690,135,000 ft. of the value of \$10,838,608, and B. C. third, value \$5,192,359.
