How Stuart's Dyspepsia Tablets Revive Your Old Time Friendships with Mince Pie and Sausage.

Nothing more contributes to make a man sure of himself than to get back into his old time stride of fearless eating. He takes one or two stuart's Dyspepsia Tablets. No gassiness, no sour risings, no indigestion whatever. He eats his goulash with relish. A wedge of mince pie hits the high spots of satisfaction. He plays with pork and beans and never a come back.

The reason for all this is the alkaline effect which these tablets give the stomach. Digestion is aided and thus instead of a souring mixture so often the effect after eating, the stomach is sweet, active and comfortable. Irish Boy of Buffalo Has Class and Gives Promises To Be- Soo Again Favored To Win come Star.

BY HENRY L. FARRELL. NEW YORK, March 2.-Jimmy Slattery, a handsome Irish boy from Buffalo, is being picked now as a coming heavyweight champion. Jack Dempsey has seen him in action several times and he expressed the opinion not long ago that he thought Slattery was almost sure to be champion some day. So far Slattery has shown great promise every time he was tested. He has beaten Young Stribling and he has won two decisions from Jack Delaney, who was generally accepted as the class of the middleweights after he had knocked out Paul Berlenbach and Tiger Flowers.

Being only 20 years of age, Slattery is not permitted to box more than six not permitted to box more than six rounds, the limit set by the boxing comrounds, the limit set by the boxing comrounds. falo, is being picked now as a coming rounds, the limit set by the boxing commission for boys who are not old enough

to hold a fast pace for the 10, 12 or 15round route.

There is no doubt that Slattery is the
class of the youngsters growing into the
heavyweight division. Giving him two
or three more years of experience with
a reasonable allowance for an increase
in weight and strength, and he will be
a sure championship possibility. That
is—if he takes care of himself. He has
one great affliction—fast driving, and his
friends fear that he will be injured badly some time if he can't get accustomed
to driving his car less than 50 miles an
hour.

Since the Northern champions first
came south to play the O. H. A. champions, five years ago, they have been
eturned winners on two occasions and
have lost out on three, so that this
season they are presented with a royal
opportunity to tie the count. This is
the third successive trip for the Greyhounds, who were beaten out by the
Granites after a terrific struggle two
years ago, but reversed the verdict last
year, when they trimmed Hamilton
after two great battles. The Soo were
also the challengers in 1921, when they
were beaten by Varsity. to hold a fast pace for the 10, 12 or 15-
