"I HAVE PROVED"

Zam-Buk invaluable for eczema, both in the case of my baby and myself," says Mrs. L. Bonin of West Arichat, N.S. She adds: "Baby's skin was badly broken out, but repeated applications of Zam-Buk entirely cured it."

"In my own case, I had eczema on my hands, which made it very inconvenient for me to do my housework. Particularly was this so, as it aggravated the trouble so to put my hands in water. By using Zam-Buk, however, I soon got relief, and it was not very long before every trace of the trouble had disappeared. I really think no home should be without Zam-Buk."

Zam-Buk is equally good for all skin injuries. All dealers 50c. box.

WEAK CHESTED PEOPLE

and elderly people particularly, who are so subject to ailments of the breathing tubes and lungs, are frequently difficult to prescribe for owing to their frail constitutions. For all such people Peps are the safest remedy for coughs, colds, bronchitis, asthma, etc., as Peps contain absolutely no harmful drugs. Mrs. David Patricquin of Mattatall Lake, N.S., writes: "I have just been cured of a very bad cough by the use of Peps. As I am seventy-five years of age I consider this cure all the more remarkable."

For very young people, too, Peps are just as good. All dealers 50c.

Look to the Future

Begin with the Boys

THE glorious victories of Drake and Nelson were destined to be the foundation of our Empire and the guarantee of the freedom of the seas, which makes possible the vast international trade of Britain and her Dominions.

And yet when Drake and Nelson chose the sea as their life-work, who was there to know what would be the overwhelming consequences of their decision?

Today, if you have any question in your mind as to whether you should support the work of the Boys' Naval Brigades, study the matter with an eye to the future. Get clearly in mind the tremendous importance of Canadian products reaching foreign markets, which can only be assured by the building of a great Canadian Mercantile Fleet, *maned with Canadian Seamen!*

We may build ships by the thousand, but if we cannot man them ourselves our position is still economically unsound. If we do not train Canadian lads to man our merchant fleet, we shall be left behind in the race for export markets—we shall have missed the greatest opportunity for trade expansion in all history!

What will YOU do to help some Canadian boy who is anxious to learn seamanship, and so be of the greatest service to his country?

Let your contribution to the fund be a worthy answer. Help them by giving!

"Thank God I have done my duty!"
